Spiritually Incorrect Dan Wakefield, 2012-11-01 Spirituality is full of rules You need to find your own way straight through them Will tattoos and convertibles keep you from finding true spiritual fulfillment Some people claim that you cannot truly achieve spiritual fulfillment if you re not a vegetarian Some say you ll never find the path if you don t learn yoga And some would insist that any display of vanity cosmetic surgery hair mousse is a sign that inner peace is way out of your reach With great candor and humor much of it irreverent Dan Wakefield s *Spiritually Incorrect* shows that

there are as many ways to find spiritual fulfillment as there are individual seekers Part memoir part essay part whimsical illustration from his own life Wakefield's reflections break down the barriers that lie in the way of spiritual fulfillment showing you that rules were made to be broken and how it's possible and imperative for you to discover a rewarding spiritual life that fits your own personality your own path In this age of political correctness and watching what we say award winning author Dan Wakefield dares to ask the risky and sometimes hilarious questions about spirituality Why is poverty sacred wealth profane Can a coffee house be a sacred space Does yoga make you a Hindu Can a man pray in public and still be macho Does eating a steak really taint your soul Who in our lives and our modern day world deserves to be canonized as a saint Wakefield's creative exploration of these questions is a quest to free the spiritual world from pretension anxiety and the seemingly endless rules that can dictate how you identify or don't with religion Humorous stories from his own spiritually incorrect journey to God punctuate Wakefield's ultimate revelation that spirituality is not about conforming to a set of rules but rather discovering the practices that uniquely work for you Spiritual Warfare Jed McKenna, 2009-11-25 Guns and bombs are children's toys A true war wages and you're invited IT'S AN INVITATION you may not be able to accept if you want to or decline if you don't It's an invitation to fight in a war like no other a war where loss is counted as gain surrender as victory and where the enemy you must face an enemy of unimaginable superiority is you Contains Bonus Material
