Splendid Poseur Joaquin Miller:

Splendid Poseur: Joaquin Miller, American Poet M. Marion Marberry, 1953 Describes irreverently the fictions and facts in Miller's life **Splendid Poseur, Joaquin Miller, American Poet, by M. M. Marberry** M. M. Marberry, 1953

Unsettling the Literary West Nathaniel Lewis, 2003-01-01 The test of western literature has invariably been Is it real Is it accurate Authentic The result is a standard anything but literary as Nathaniel Lewis observes in this ambitious work a wholesale rethinking of the critical terms and contexts and thus of the very nature of western writing Why is western writing virtually missing from the American literary canon but a frequent success in the marketplace The skewed status of western literature Lewis contends can be directly attributed to the strategies of the region's writers and these strategies depend consistently on the claim of authenticity A perusal of western American authorship reveals how these writers effectively present themselves as accurate and reliable recorders of real places histories and cultures but not as stylists or inventors The imaginative qualities of this literature are thus obscured in the name of authentic reproduction Through a study of a set of western authors and their relationships to literary and cultural history Lewis offers a reconsideration of the deceptive and often undervalued history of western American literature With unequivocal admiration for the literature under scrutiny Lewis exposes the potential for startling new readings once western writing is freed from its insistence on a questionable authenticity His book sets out a broader system of inquiry that points writers and critics of western literature in the direction of a new and truly sustaining literary tradition **The Pacific Northwest** Raymond D. Gastil, Barnett Singer, 2010-04-23

The Pacific Northwest for the purposes of this book mostly Oregon and Washington has sometimes been seen as lacking significant cultural history Home to idyllic environmental wonders the region has been plagued by the notion that the best and brightest often left in search of greater things that the mainstream world was thousands of miles away or at least as far south as California This book describes the Pacific Northwest's search for a regional identity from the first Indian-European contacts through the late twentieth century identifying those individuals and groups who at least struggled to give meaning to the Northwest experience It places particular emphasis on writers and other celebrated individuals in the arts detailing how their lives and works both reflected the region and also enhanced its sense of self *Queer Compulsions* Amy H. Sueyoshi, 2012-02-29 In September 1897 Yone Noguchi 1875-1947 contemplated crafting a poem to his new love western writer Charles Warren Stoddard Recently arrived in California Noguchi was in awe of the established writer and the two had struck up a passionate correspondence Still he viewed their relationship as doomed not by the scandal of their same-sex affections but their introverted dispositions and differences in background In a poem dedicated to his dearest Charlie Noguchi wrote Thou and I O Charles sit alone like two shy stars east and west While confessing his love to Stoddard Noguchi had a child future sculptor Isamu Noguchi with his editor Lonie Gilmour became engaged to Washington Post reporter Ethel Ames and upon his return to Japan married Matsu Takeda all within a span of seven years According to author Amy

Sueyoshi Noguchi was not a dedicated polyamorist. He deliberately deceived the three women to whom he either pretended or promised marriage while already married. She argues further that Noguchi's intimacies point to little known realities of race and sexuality in turn of the century America and illuminate how Asian immigrants negotiated America's literary and arts community. As Noguchi maneuvered through cultural and linguistic differences, his affairs additionally assert how Japanese in America could forge romantic fulfillment during a period historians describe as one of extreme sexual deprivation and discrimination for Asians, particularly in California. Moreover, Noguchi's relationships reveal how individuals who engaged in seemingly defiant behavior could exist peaceably within prevailing moral mandates. His unexpected intimacies in fact relied upon existing social hierarchies of race, sexuality, gender, and nation that dictated appropriate and inappropriate behavior. In fact, Noguchi, Stoddard, Gilmour, and Armes at various points contributed to the ideological forces that compelled their intimate lives. Through the romantic life of Yone Noguchi, *Queer Compulsions* narrates how even the queerest of intimacies can more provocatively serve as a reflection of rather than a revolt from existing social inequality. In unveiling Noguchi's interracial and same sex affairs, it attests to the complex interaction between lived sexualities and socio-legal mores as it traces how one man negotiated affection across cultural, linguistic, and moral divides to find fulfillment in unconventional yet acceptable ways. *Queer Compulsions* will be a welcome contribution to Asian American gender and sexuality studies and the literature on male and female romantic friendships. It will also forge a provocative link between these disciplines and Asian studies.

Mathilde Blind James Diedrick, 2017-01-12. With Mathilde Blind, *Late Victorian Culture and the Woman of Letters*. James Diedrick offers a groundbreaking critical biography of the German born British poet Mathilde Blind (1841-1896), a freethinking radical feminist. Born to politically radical parents, Blind had by the time she was thirty become a pioneering female aesthete in a mostly male community of writers, painters, and critics, including Algernon Charles Swinburne, William Morris, Ford Madox Brown, William Michael Rossetti, and Richard Garnett. By the 1880s she had become widely recognized for a body of writing that engaged contemporary issues such as the Woman Question, the forced eviction of Scottish tenant farmers in the Highland Clearances, and Darwin's evolutionary theory. She subsequently emerged as a prominent voice and leader among New Woman writers at the end of the century, including Mona Caird, Rosamund Marriott Watson, and Katharine Tynan. She also developed important associations with leading male decadent writers of the fin de siècle, most notably Oscar Wilde and Arthur Symonds. Despite her extensive contributions to Victorian debates on aesthetics, religion, nationhood, imperialism, gender, and sexuality, however, Blind has yet to receive the prominence she deserves in studies of the period. As the first full length biography of this trailblazing woman of letters, Mathilde Blind underscores the importance of her poetry and her critical writings, her work on Shelley, biographies of George Eliot and Madame Roland, and her translations of Strauss and Bashkirtseff for the literature and culture of the fin de siècle.

Among the fabled tycoons of the Gilded Age Carnegie Rockefeller Vanderbilt is a forgotten figure Mrs Frank Leslie For 20 years she ran the country s largest publishing company Frank Leslie Publishing which chronicled postbellum America in dozens of weeklies and monthlies A pioneer in an all male industry she made a fortune and became a national celebrity and tastemaker in the process But Miriam Leslie was also a byword for scandal she flouted feminine convention took lovers married four times and harbored unsavory secrets that she concealed through a skein of lies and multiple personas Both during and after her lifetime glimpses of the truth emerged including an illegitimate birth and a checkered youth Diamonds and Deadlines reveals the previously unknown sensational life of the brilliant and brazen empress of journalism who dropped a bombshell at her death she left her entire multimillion dollar estate to women s suffrage a never equaled amount that guaranteed passage of the Nineteenth Amendment In this dazzling biography cultural historian Betsy Prioleau draws from diaries genealogies and published works to provide an intimate look at the life of one of the Gilded Age s most complex powerful women and unexpected feminist icons Ultimately Diamonds and Deadlines restores Mrs Frank Leslie to her rightful place in history as a monumental businesswoman who presaged the feminist future and reflected in bold relief the Gilded Age one of the most momentous seismic and vivid epochs in American history Includes Black and White Images *Reading for Liberalism* Stephen J. Mexal,2020-04-01 Founded in 1868 the Overland Monthly was a San Francisco based literary magazine whose mix of humor pathos and romantic nostalgia for a lost frontier was an immediate sensation on the East Coast Due in part to a regional desire to attract settlers and financial investment the essays and short fiction published in the Overland Monthly often portrayed the American West as a civilized evolution of and not a savage regression from eastern bourgeois modernity and democracy Stories about the American West have for centuries been integral to the way we imagine freedom the individual and the possibility for alternate political realities Reading for Liberalism examines the shifting literary and narrative construction of liberal selfhood in California in the late nineteenth century through case studies of a number of western American writers who wrote for the Overland Monthly including Noah Brooks Ina Coolbrith Bret Harte Jack London John Muir and Frank Norris among others Reading for Liberalism argues that Harte the magazine s founding editor and the other members of the Overland group critiqued and reimaged the often invisible fabric of American freedom Reading for Liberalism uncovers and examines in the text of the Overland Monthly the relationship between wilderness literature race and the production of individual freedom in late nineteenth century California **Twayne's United States Authors Series** ,1967 Woman Lawyer Barbara Babcock,2011-01-05 Woman Lawyer tells the story of Clara Foltz the first woman admitted to the California Bar Famous in her time as a public intellectual leader of the women s movement and legal reformer Foltz faced terrific prejudice and well organized opposition to women lawyers as she tried cases in front of all male juries raised five children as a single mother and stumped for political candidates She was the first to propose the creation of a public defender to balance the public prosecutor Woman Lawyer uncovers the legal reforms and societal contributions of a woman

served as the nucleus of the western theatrical world having attained prominence behind only New York and Boston as the nation's most important theatrical center by 1870. By focusing on the West's hinterland communities, theater as a capitalist venture driven by the sale of cultural forms is illuminated against the backdrop of urbanization. Using the vagaries of the West's notorious boom-bust economic cycles, Eichin traces the fiscal, demographic, and geographic influences that shaped western theater. With an emphasis on the 1860s and 70s, this thoroughly researched work uses distinct notions of ethnicity, class, and gender to examine a cultural institution driven by a market economy. *From San Francisco Eastward* is a thorough analysis of the ever-changing theatrical personalities and strategies that shaped Victorian theater in the West and the ways in which theater as a business transformed the values of a region.
