Splish-Splash Bible Bash Cook Communications Ministries, 2004-08 *Splish Splash Bible Bash* is a children's ministry program for mixed ages that sends kids off to surf watery Bible stories and learn some important truths. Each lesson opens with a gathering time for prayer and music followed by a lively humorous puppet presentation. Then kids splash into the Bible with interactive stories that put them right on the scene. A choice of application activities makes sure that kids see how Bible truths relate to their lives. Preschoolers can join in the fun with elementary age kids or they can enjoy activities specially planned for the little ones.

NIVAC Bundle 4: Major Prophets John N. Oswalt, J. Andrew Dearman, Iain M. Duguid, Tremper Longman III, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.
