Split Decisions:

Split Decisions Janet Halley, 2008-04-01 Is it time to take a break from feminism In this pathbreaking book Janet Halley reassesses the place of feminism in the law and politics of sexuality She argues that sexuality involves deeply contested and clashing realities and interests and that feminism helps us understand only some of them To see crucial dimensions of sexuality that feminism does not reveal the interests of gays and lesbians to be sure but also those of men and of constituencies and values beyond the realm of sex and gender we might need to take a break from feminism Halley also invites feminism to abandon its uncritical relationship to its own power Feminists are in many areas of social and political life partners in governance To govern responsibly even on behalf of women Halley urges feminists should try taking a break from their own presuppositions Halley offers a genealogy of various feminisms and of gay queer and trans theories as they split from each other in the United States during the 1980s and 1990s All these incommensurate theories she argues enrich thinking on the left not despite their break from each other but because of it She concludes by examining legal cases to show how taking a break from feminism can change your very perceptions of what is at stake in a decision and liberate you to decide it anew

Split Decisions Carmen DeSousa, 2014-08-24 Sometimes you want something so badly you are willing to abandon everything you have ever known including yourself Eighteen years ago Jaynee Monroe married the man of her dreams became the mother of four and fulfilled her career goals About to turn forty she senses something is missing from her idyllic life While Googling her name in an attempt to find herself she unearths something so impossible it makes her contemplate her own sanity Seeking answers she embarks on a journey to discover the truth only to end up abducted by a deranged stranger who insists on calling her Caycee Caycee took the road less traveled After rejecting a marriage proposal from the only decent man she ever dated she ventured to California to become famous Eighteen years later success has left her alone and miserable Attempting to locate her lost love on Facebook she discovers his infatuation with her Not only does his presumed dead wife share Caycee's uncommon middle name but it also appears he has photo shopped Caycee's face over his wife's face Never could Caycee and Jaynee imagine that decisions they make years earlier would threaten not only their lives but also their loved ones Caycee must now reunite with the southern gent she dismissed eighteen years ago and convince him to accompany her to New York to locate his wife the most important person in both their lives What readers are saying This is so different from your typical romance I'd call it romantic suspense with a twist WiLoveBooks This amazing storyline has incredible twists and turns unbearable suspense mystery and danger in an emotional satisfying plot that all wraps up with an excellent plot twist Goodreads DeSousa managed a twist I'd never encountered before and made it believable and suspenseful Goodreads

Rountree,2024-12-17 A timely and lively summary and analysis of the Supreme Court s justifications for overruling nearly 300 prior rulings in its history An audacious US Supreme Court is overturning a number of long standing precedents and Overtuned offers a lively account of the court s history of overturning prior cases and examples and analyses of 300 cases overruled in its history The immense controversy surrounding the case of Dobbs v Jackson Women s Health Organization in 2022 which overruled Roe v Wade and erased the constitutional right to abortion in the United States has focused public attention on how and why the Supreme Court knocks down long established precedents In his vivid and accessible style scholar Clarke Rountree recounts the rhetorical pirouettes and linguistic acrobatics the court has deployed to explain its reversal of Dobbs and numerous other landmark decisions He reviews strategies the court uses to undermine a previous court s standing without undermining its own He analyzes overrulings across time by type constitutional cases versus statutory and common law cases by the ages of the overturned precedents with changes in the court s membership and through other variables Rountree gives engrossing accounts of pivotal overrulings in the past such as when Lincoln s Treasury Secretary Salmon Chase used the Legal Tender Act in 1862 to raise money for the Civil War then ruled the same law unconstitutional in 1870 when he served as chief justice Rountree retells Thomas Edison s attempt to monopolize the burgeoning film industry which was stopped only when the Supreme Court overturned an earlier patent rights case in 1917 Finally Rountree applies his myriad insights to the politically fraught Dobbs case Overruled makes a valuable contribution to law rhetoric politics and history and readers interested in the role and function of America s highest court will find Rountree s account fast paced lively and engaging **Maritime Logistics in the Global Economy** Thorsten Blecker,Carlos

extensive fieldwork and statistical analysis to examine both the causes and consequences of protest The book adopts a holistic approach encompassing national trends in worker state relations local policymaking processes and the dilemmas of individual officials and activists Instead of taking sides in the old debate over whether non democracies like China s are on the verge of collapse or have instead found ways of maintaining their power indefinitely it explores the daily evolution of autocratic rule While providing a uniquely comprehensive picture of change in China this important study proposes a new model of bottom up change within authoritarian systems more generally
