**Split Image** Anne Atkins,1987      **Split Image** Anne Atkins,1987      Across the Spectrum Gregory A. Boyd,Paul Rhodes Eddy,2009-09 This accessible yet comprehensive primer explores the breadth of viewpoints on major issues in evangelical theology by examining positions taken by evangelicals on seventeen seminal issues The second edition retains the helpful features of the first edition and adds an appendix that addresses thirteen peripheral issues in contemporary evangelicalism Praise for the first edition The authors do what no book on the market does In one volume they faithfully present divergent views on the crucial issues that divide evangelicals and they do so in an unbiased succinct and lively manner This book is perfect as a supplemental text in an introductory theology course or as a manual for church study groups It will help everyone arrive at his or her own conclusions within the parameters of the evangelical tradition Dennis Okholm Azusa Pacific University Across the Spectrum succeeds with distinction in at least two respects First it represents a very useful tool for those who wish to begin grappling with different approaches to difficult theological problems The book will be most helpful to beginning students in evangelical theology the target audience Second the work presents various perspectives in fair and unbiased tones If used with care it will repeatedly reward the reader with its fair and even treatment of different theological views Nathan D Holsteen Bibliotheca Sacra I ve been waiting for this book for some time Due to its brief nontechnical format it can be used in a variety of ways in undergraduate theology courses Although a concise volume it succinctly outlines multiple arguments both pro and con for incredibly over two dozen issues in disputed largely non fundamental areas of doctrine The professor can present positions in favor of particular views or leave the issues open It s settled I m requiring it Gary R Habermas Liberty University A collective sigh of relief will arise from the evangelical student body when it discovers this book It helpfully and critically surveys the many legitimate evangelical theological options and convincingly demonstrates that there is no single authentically evangelical viewpoint on a wide range of controversial issues It constitutes a small library between two covers Roger E Olson George W Truett Theological Seminary Baylor University

**Heartstrings** Jill Briscoe,2016-03-01 Have you lost your joy Life s obstacles and disappointments can tempt Christians to lose hope and hang up their joy just as the Israelites hung their harps upon trees by the rivers of Babylon In *Heartstrings* Jill Briscoe discusses eight trees that believers hang their joy upon including grief grudge and gloom Through biblical stories and personal narrative Jill reminds us that hope and joy can be regained when we allow the Lord to touch the heartstrings of our souls Once this happens we are able to sing a new song to God and the world      *The Book of Womanhood* Amy F Davis Abdallah,2016-06-30 There are many questions that surround Christian womanhood What does it mean When does it happen at a certain age status or maturity How do we know we re no longer girls And when we ve figured that out how will others know how to recognise us as a woman rather than a girl After all Christian women don t usually get a rite of passage in which they are named a woman Seeing this need Amy Davis Abdallah has created such a rite and this book accompanies it there is

no need to go through her rite of passage however to name yourself a woman The Book of Womanhood creates a path through the confusion that surrounds the identity of women by its flexible framework developing the reader's understanding of a woman's relationship with God their self others and creation Amy writes simply as one perhaps further along in her journey of womanhood than most and she doesn't write alone she includes the stories of Biblical women of friends young and old and even more The diverse voices come together as a cloud of witnesses encouraging us in our individual journeys The Book of Womanhood is about recognition reaching out not only to women but also to men who seek to understand and empower their wives daughters and friends to be the women God has formed them to be Read for empowerment read for transformation Read and become the woman of God you were created to be ThirdWay, 1987-10 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **In the Spirit** Candace L. Kohli, 2024-11-14 How does the Christian produce good works in service of her neighbor after justification In Martin Luther's famous 1520 treatise The Freedom of a Christian the Reformer claimed that Christ's love springs spontaneously from the Christian's soul as good works In Luther's late medieval theological context however this statement was incoherent with philosophical theories of moral action which required an interplay between the soul and body This problem persists in Lutheran theology today where human passivity in justification is extended over the Christian's entire temporal life Yet Luther seemed to find solutions to this question in his late controversies with Johann Agricola over law and gospel This study looks to pneumatological developments in that controversy for resources that support a more coherent view of moral action in the Christian life **Gender Roles and the People of God** Alice Mathews, 2017-05-23 Most women in the church don't aspire to lord it over men nor do they want to scramble for position Instead they want to be accepted as full participants in God's work sharing in kingdom tasks in ways that use their gifts appropriately In Gender Roles and the People of God author radio host and professor at Gordon Conwell Theological Seminary Alice Mathews surveys the roles women have played in the Bible and throughout church history demonstrating both the inspiring contributions of women and the many hurdles that have been placed in their path Along the way she investigates the difficult passages often used to preclude women from certain areas of service pointing to better and more faithful understandings of those verses Encouraging and hopeful Mathews aims for an egalitarian complementarity in which men and women use all of their gifts in the church together in partnership for the glory of God ThirdWay, 1994-09 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture ThirdWay, 1994-11 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **Helpmates, Harlots, and Heroes, Second Edition** Alice Ogden Bellis, 2007-07-03 This best selling book now revised and updated shares the work of many feminist biblical scholars who have examined women's stories for several years These stories are powerful accounts of women in the Old Testament stories that have profoundly affected how women understand themselves as well as men's perception of them

Here Alice Bellis shares the research of feminist biblical scholarship during a quarter of a century which renders a vast amount of refreshing exciting sometimes disturbing material      **Gender Grace** Mary Stewart Van Leeuwen,1990-05-03 From brain structure and role models to the creation drama and the new covenant Mary Stewart Van Leeuwen helps us to understand more clearly the forces and the freedoms that shape our lives      **ThirdWay** ,1995-07 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture      ThirdWay ,1995-02 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture      ThirdWay ,1995-04 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture      *ThirdWay* ,1995-05 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture      **ThirdWay** ,1995-03 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture      **ThirdWay** ,1994-12 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture      Gender Roles and the Bible Jack Cottrell,1994-12 What does the Bible teach about gender roles Is there a difference as seen in Scripture Understanding the debate over biblical feminism is essential to answering the questions about the role of women in the church In this book Dr Cottrell stands squarely in the path of the evangelical feminists who want to prove that the Bible agrees with their egalitarian views Clark H Pinock Ph D McMaster Divinity College Lightning Print On Demand Title      **ThirdWay** ,1995-09 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture
