history of the West between the Reformation and the publication of the New English Bible Publications Parker Society
(Great Britain), Parker Society (Great Britain), 1845 **The Works of John Jewel, Bishop of Salisbury** John Jewel, 1845

The Works of John Jewel, Bishop of Salisbury John Jewel, 2008-07-18 History The Parker Society For the Publication
of the Works of the Fathers and Early Writers of the Reformed English Church was formed in 1840 and disbanded in 1855
when its work was completed Its name is taken from that of Matthew Parker the first Elizabethan Archbishop of Canterbury
who was known as a great collector and preserver of books The stimulus for the foundation of the society was provided by
the nineteenth Century Tractarians Some members of this movement e g R H Froude in his Remains of 1838 9 spoke most
disparagingly of the English Reformation Really I hate the Reformation and the Reformers more and more Keble could add in
1838 Anything which separates the present Church from the Reformers I should hail as a great good Protestants within the
Church of England therefore felt the urgent need to make available in an attractive and accessible form the works of the
leaders of the English Reformation To many it seemed that the Protestant foundations of the English Church were being
challenged like never before Thus the society represented a co operation between traditional High Churchmen and
evangelical churchmen both of whom were committed to the Reformation teaching on justification by faith Subscribers were
also involved in the erection of the Martyrs Memorial in Oxford although this was as much anti Roman Catholic as anti
Tractarian The society had about seven thousand subscribers who paid one pound each year from 1841 to 1855 thus for
fifteen pounds the subscribers received fifty three volumes the General Index and the Latin originals of the 1847 Original
Letters relative to the English Reformation being special subscriptions Twenty four editors were used and the task of arriving
at the best text was far from easy The choice of publications was controversial and some authors and works were unfortunate
not to be included in PS volumes While some of the volumes have been superseded by more recent critical editions today this
collection remains one of the most valuable sources for the study of the English Reformation **The Works of John Jewel,**
