The Lunatics Of Terra:

The Lunatics of Terra John Sladek, 2005-08 John Sladek's hilarious SF satires may show a world riddled with shambolic flaws but this he pointed out is actually the good news My own small ray of hope concerns human frailty All conspiracies no matter how monstrous are ultimately the work of mere imperfect people whose irresolution or bad judgment or even bad conscience works against the system They get bunions their cars break down their children run away and all this grit gets into the smooth running gears of their world domination plans I hope

The Lunatics of Terra John Thomas Sladek, 1984-01-01 John Sladek's hilarious SF satires may show a world riddled with shambolic flaws but this he pointed out is actually the good news My own small ray of hope concerns human frailty All conspiracies no matter how monstrous are ultimately the work of mere imperfect people whose irresolution or bad judgement or even bad conscience works against the system They get bunions their cars break down their children run away and all this grit gets into the smooth running gears of their world domination plans I hope

A Checklist of John Sladek C. P. Stephens, 1992

Starcombing David Langford, 2009-05-01 Starcombing contains eighty five newly collected pieces of David Langford's witty commentary on the SF fantasy scene columns articles reviews essays even a few short short stories from the famous Futures page in Nature Compulsive reading crammed with insights and laughs

Tik-Tok John Sladek, 2011-09-29 A Robot shall not injure a human being or through inaction allow a human being to come to harm That's Asimov's celebrated First Law of Robotics And in the 21st century all domestic robots are programmed according to that Law But something had gone terribly wrong with Tik Tok's asimov circuits and he sets out to injure as many people as possible preferably fatally while maintaining the exterior of a mild mannered artist and a sincere campaigner for robot rights So like any self respecting crook and murderer he moves into politics becoming the first robot candidate for Vice President of the United States Tik Tok follows his maniacal progress from humble beginnings to the top of the heap or almost Because in his devious cunning there was one element that Tik Tok had forgotten Winner of the BSFA Award for best novel 1983

Up Through an Empty House of Stars David Langford, 2003-08-01 At last Up Through an Empty House of Stars brings together the best of the never before collected SF reviews and articles that helped build David Langford's towering reputation since 1980 Complementing the review columns collected in The Complete Critical Assembly and the knockabout essays and squibs in The Silence of the Langford this volume's 100 glittering selections mix serious critical insight with the inimitable Langford wit In 2002 David Langford won his sixteenth Hugo award as Best Fan Writer for critical and humorous commentary on SF In the same year his occasionally scandalous SF newsletter Ansible won its fifth Hugo Langford also received the 2001 Hugo for best short story and the 2002 Skylark Award Here he shines a unique light on classics like Ernest Bramah G K Chesterton Robert Heinlein and Jack Vance and analyses major SF and major clunkers and minor eccentrics of the 1980s 1990s and early 2000s continuing to the latest by such current stars as Gene Wolfe and China Mi ville Plus witty asides on crime fiction and its SF links gleeful

examination of writing so bad it's almost good and even at his most serious turns of phrase to make you laugh aloud

Maps John Sladek, 2011-09-29 *Maps* is the definitive collection of John Sladek's uncollected work put together by his friend fellow writer and critic David Langford who also provides an introduction. It includes all the solo stories science fiction detective puzzles mainstream non fact pieces as well as poems playlets pseudonymous fiction all the short collaborations with Thomas M Disch including three never previously published and some witty autobiographical essays. Sladek was as good a writer of satire as Vonnegut and without the Vonnegut mannerisms. Unfortunately he never received the appropriate credit except from a small following of devoted readers.

Wholly Smokes John Sladek, 2011-09-29 *Wholly Smokes* was the last book completed by one of the most original brilliant and under rated American writers of the 20th century. Like so many of John Sladek's earlier books this is almost impossible to categorize. It's the non fiction or non fact history of General Snuff and Tobacco a very American tobacco company which seems to have been present at or had bizarre influence on many great and not so great moments of history. John Sladek provides his own indescribable clip art illustrations. As he says in the Introduction The story of GST is also the story of the Badcock family who owned and operated the company throughout its magnificent history. This book follows that history stopping to explore a few of its more dazzling events. You will meet the Badcock who kidnapped Pocahontas the Badcock who burned London the Badcock who started the American Revolution the Badcock who almost killed a president the Badcock who delivered the real Gettysburg address the Badcock who wanted to prolong World War One because he was doing so well out of it the Badcock who tried to bribe Roosevelt the Badcock who tried to kill Fidel Castro and many others.

New Maps: More Uncollected John Sladek John Sladek, **Alien Accounts** John Sladek, 2011-09-29 John Sladek explains the theme of the darkly comic stories in this wonderful collection. The aliens here are human. This book contains no giant flying snails or telepathic octopods no Ganymede cat women dressed in silver no aggressive dugong chiefs roaming the galaxy in their pulsar powered yo yo ships. The aliens here are human aliens. Most of them work in ordinary offices and they do not commute to work from Proximo Centauri either. Yet these here humans are aliens. Office life attracts them.
