When an old man tells you about the lovely young princess who has slept for a hundred years, you want to rush away and rescue her at once.

But Sleeping Beauty dreams among her sleeping courtiers in an enchanted palace which stands in the middle of a lake, surrounded by an impenetrable forest.

Will you face the wicked witch whose spell put the princess to sleep? Will you summon a prince to awaken Sleeping Beauty with a kiss, as the old man told you, or try a few drops of the witch's magic potion?

Only you can choose, because you are the central character of the story. But beware! Each Magic Road has many paths and they don't all lead to a happy ending! You might be the hero of the hour, but you could share the same fate as the Sleeping Beauty! Never mind – whatever your fate, there's always another chance on the Magic Road.
