

PHILIP LONGWORTH

THE MAKING OF
EASTERN
EUROPE

FROM PREHISTORY TO POSTCOMMUNISM

'A first-rate piece of historical analysis'

ERIK DE MAUNY, *FINANCIAL TIMES*

The Making Of Eastern Europe

František Dvorník

The Making Of Eastern Europe:

The Making of Eastern Europe Philip Longworth, 1992-08-18 Why has the collapse of Communism resulted in so much disappointment for the hopeful millions of Eastern Europe In this original and provocative book Philip Longworth argues that their predicament is only partly due to the imposition of the Soviet system but rather they are the heirs of misfortune which dates back centuries In exploring the origins of current problems this sweeping history ranges from the present day to the time of Constantine the Great from the Urals to the Mediterranean and the Baltic and emphasises culture and society as well as politics and economics The resulting analysis provides the crucial and until now much needed long term background to the difficulties now facing Eastern Europe This new perspective and the insight it brings will improve our understanding of this complex region and be of immense value to all who want to understand Eastern Europe s past and present **The**

Making of Eastern Europe Philip Longworth, 1997-05-14 Why has the collapse of Communism resulted in so much disappointment for the hopeful millions of Eastern Europe In the revised edition of this thoughtful and provocative book Philip Longworth argues that their predicament is only partly due to the imposition of the Soviet system but rather that they are the heirs of misfortune which dates back centuries In exploring the origins of current problems this sweeping history ranges from the present day to the time of Constantine the Great the Urals to the Mediterranean and the Baltic and emphasises culture and society as well as politics and economics In an additional new chapter Philip Longworth analyses the collapse of Communism and the advent of post communism This book will be of immense value to all who want to understand Eastern Europe s past and present [The Making of Eastern Europe](#) Philip Longworth, 1994 **The Making of Eastern**

Europe David Turnock, 1988-01-01 Om steuropas historiske geografi fra forhistorisk tid til 1815 **Pursued by a Bear** Zbyněk A. B. Zeman, 1989 **The Making of Central and Eastern Europe** Francis Dvornik, 1949 **Eastern Europe in the Twentieth Century - And After** R. J. Crampton, 2002-04-12 Covering all key Eastern European states and their history right up to the collapse of communism this second edition of *Eastern Europe in the Twentieth Century And After* is a comprehensive political history of Eastern Europe taking in the whole of the century and the geographical area Focusing on the attempt to create and maintain a functioning democracy this new edition now examines events in Bosnia and Herzegovina includes a new consideration of the evolution of the region since the revolutions of 1989 91 surveys the development of a market economy analyzes the realignment of Eastern Europe towards the West details the emergence of organized crime discusses each state individually includes an up to date bibliography *Eastern Europe in the Twentieth Century And After* provides an accessible introduction to this key area which is invaluable to students of modern and political history **The Future Of Agriculture In The Soviet Union And Eastern Europe** Roy D. Laird, Joseph Hajda, Betty A. Laird, Paul E Lydolph, 2019-07-11 In the 1970s Eastern Europe and the Soviet Union have changed from being net grain exporters to major grain importers Clearly unfavorable weather has played a key role in this dramatic reversal However as

several of the authors of this book argue bad policies have played a key role In the authors analyses of the new five year plans a serious question is raised as to whether the nations involved can meet their ambitious goals Indeed a strong case is made that the U S S R will not only continue to be an importer of grains but that it will increase such imports over the years Although the CMEA nations have made increases in food output in the last two decades a point of diminishing returns seems to have been reached Future demand for food imports may have an enormous impact on international affairs Even if the nations involved were to collectively meet their ambitious production plans which the authors doubt there is no possibility that the area will be able to make any significant contribution to mounting world food demand in the foreseeable future This fact alone is of great significance in a world facing a mounting food crisis The Making of Détente Wilfried Loth,George Soutou,2010-04-05 Containing essays by leading Cold War scholars such as Wilfried Loth Geir Lundestad and Seppo Hentil this volume offers a broad ranging examination of the history of détente in the Cold War The ten years from 1965 to 1975 marked a deep transformation of the bipolar international system of the Cold War The Vietnam War and the Prague Spring showed the limits of the two superpowers who were constrained to embark on a wide ranging détente policy which culminated with the SALT agreements of 1972 At the same time this very détente opened new venues for the European countries French policy towards the USSR and the German Ostpolitik being the most evident cases in point For the first time since the 1950s Western Europe began to participate in the shaping of the Cold War The same could not be said of Eastern Europe but ferment began to establish themselves there which would ultimately lead to the astounding changes of 1989 90 the Prague Spring the uprisings in Gdansk in 1970 and generally the rise of the dissident movement That last process being directly linked to the far reaching event which marked the end of that momentous decade the Helsinki conference The Making of Détente will appeal to students of the Cold War international history and European contemporary history **The Making of Central and Eastern Europe, by Francis Dvornik ...** František Dvorník,1949

Uncover the mysteries within is enigmatic creation, Embark on a Mystery with **The Making Of Eastern Europe** . This downloadable ebook, shrouded in suspense, is available in a PDF format (*). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.
