The Man In The Skirt:

American Menswear from the Civil War to the Twenty-First Century, Second Edition Daniel Delis Hill, 2024-01-20 In a glance at American menswear over the past 150 years change has been sometimes glacial in its evolution sometimes regressive and nostalgic and other times abrupt and revolutionary In this study of American menswear from the Civil War to the twenty first century that evolution is chronicled and documented with more than 700 illustrations In addition to the main categories of suits sportswear and outerwear each era also includes a detailed examination of sleepwear underwear swimwear hats neckwear footwear and accessories Further Daniel Delis Hill examines not only American men s dress and the structures of the menswear industry but also the historical and socioeconomic drivers that affected men s style particularly the shifting conventions and iconoclasm of American ideas and ideals of masculinity *Etnologiska Studier* Göteborgs etnografiska museum, 1960

The Man's Guide to Corporate Culture Heather Zumarraga, 2021-01-19 Studies have shown that 60% of male managers feel uncomfortable working one on one with their female colleagues That s where The Man s Guide to Corporate Culture comes in Heather Zumarraga a business journalist who has spent much of her career in testosterone filled work environments wants to make sure that any male leader who wants to be part of the solution knows how to do it the right way Heather provides you with logical solutions to complex gender issues and gives important practical lessons for men and women alike The Man s Guide to Corporate Culture teaches you Which behaviors to adopt and which to avoid to create and maintain a comfortable work environment for their female co workers How to create an environment that is not only welcoming to both women and men but also encourages healthy and respectful collaboration And more real world tested advice and approaches to help ensure every employee and business is best situated for success There are numerous business books that coach women to deal with bias and harassment in a male dominated workplace However The Man s Guide to Corporate Culture is one of the only books that coaches men on how to succeed in the new normal *Reports of Cases at Common Law and in Chancery Argued and Determined in the Supreme Court of the State of Illinois* Illinois. Reading the Body Alison E. Rautman, 2016-11-11 Classical and anthropological archaeologists share many of the same interests and confront many of the same problems studying extinct cultures Despite differences in background and training scholars in these disciplines are all engaged in analyzing and interpreting the archaeological record Traditionally however there have been few opportunities for classical archaeologists and anthropologists to discuss mutually beneficial perspectives in method and theory The study of gender and its representations affords an opportunity for archaeologists and anthropologists to share information and increase our understanding of how people lived in the past Reading the Body contains current anthropological and archaeological research about the body and the archaeological record both physical remains and artistic representations from sites all over the world ranging in time
