Margaret Washington

The Man Who Would Be Perfect John Humphrey Noyes And The Utopian Impulse:

The Man Who Would Be Perfect Robert David Thomas, 2016-11-11 John Humphrey Noyes founder of utopian communities in Putney Vermont and Oneida New York remain one of the most enigmatic reformers of the nineteenth century The last biography written over forty years ago portrayed Noyes as a Yankee Saint a man of progressive ideas and religious vision Yet he has also been called a Vermont Casanova whose elaborate theology of Perfection is simply justified the license he took with the women in his communities Robert David Thomas makes a convincing case that Noyes though riven by conflict and full of contradictions had his finger on the social and cultural problems that were bothering a great many Americans of his time Studied out of context Noyes must remain a mystery radical yet conservative shy yet arrogant retiring and passive yet forceful even oppressive in his leadership But against the background of nineteenth century American activism and religious enthusiasm John Humphrey Noyes emerges as a man who overcame a tortured personal life and marshaled his inner resources to grapple with a confusing and rapidly changing social world Using modern theories of the ego Thomas provides a psychologically consistent portrait of Noyes and therein a new perspective on the roots of nineteenth century Perfectionism utopian reform sexual ideology and family theory More than a conventional psycho biography this study assumes a sociological theme in its explanations of the social tensions of the era and the sources of disorder now so frequently mentioned in studies of the previous century

America's Communal Utopias Donald E. Pitzer, 1997 From the Shakers to the Branch Davidians America's communal utopians have captured the popular imagination Seventeen original essays here demonstrate the relevance of such groups to the mainstream of American social religious and economic life The co

A Conservative History of the American Left Daniel J. Flynn, 2008-04-29 From Communes to the Clintons Why does Hillary Clinton crusade for government provided health care for every American for the redistribution of wealth and for child rearing to become a collective obligation Why does Al Gore say that it's okay to over represent the dangers of global warming in order to sell Americans on his draconian solutions Why does Michael Moore call religion a device to manipulate gullible Americans Where did these radical ideas come from And how did they enter the mainstream discourse In this groundbreaking and compelling new book Daniel J. Flynn uncovers the surprising origins of today's Left The first work of its kind A Conservative History of the American Left tells the story of this remarkably resilient extreme movement one that came to America's shores with the earliest settlers Flynn reveals a history that leftists themselves ignore whitewash or obscure Partly the Left's amnesia is convenient Who wouldn't want to forget an ugly history that includes eugenics racism violence and sheer quackery Partly it is self aggrandizing Bold schemes sound much more innovative when you refuse to acknowledge that they have been tried and have failed many times before And partly it is unavoidable The Left is so preoccupied with its triumphal future that it doesn't pause to learn from its past mistakes So it goes that would be revolutionaries have repeatedly failed to recognize the one troubling obstacle to their grandiose visions reality In unfolding this history Flynn presents a page

turning narrative filled with colorful fascinating characters progressives and populists radicals and reformers socialists and SDSers and leftists of every other stripe There is the rags to riches Welsh industrialist who brought his utopian vision to America one in which private property religion and marriage represented the most monstrous evils and gained audiences with the likes of Thomas Jefferson John Adams and James Madison There is the wife swapping Bible thumper who nominated Jesus Christ for president There is the playboy adventurer whose worshipful accounts of Soviet Russia lured many American liberals to Communism There is the daughter of privilege turned violent antiwar activist who lost her life to a bomb she had intended to use against American soldiers There are fanatics and free spirits perverts and puritans entrepreneurs and altruists and many more beyond A Conservative History of the American Left is a gripping chronicle of the radical visionaries who have relentlessly pursued their lofty ambitions to remake society Ultimately Flynn shows the destructiveness that comes from this undying pursuit of dreams that are utterly unattainable American Fatherhood Jürgen Martschukat,2019-12-31 Explores the surprising diversity of fathers and fatherhood throughout American history and society The nuclear family has been endlessly praised as the bedrock of American society even though there has rarely been a time in history when a majority of Americans lived in such families This book deconstructs the myth of the nuclear family by presenting the rich diversity of family lives in American history from the American Revolution to the twenty first century To tell this story J rgen Martschukat focuses on fathers and their relations to families and American society Using biographical close ups of twelve different characters each embedded in historical context American Fatherhood provides a much more realistic picture of how fatherhood has been performed within different kinds of families Each protagonist covers a crucial period or event in American history presents a different family constellation and makes a different argument with regard to how American society is governed through the family **American Social Leaders and Activists** Neil A. Hamilton,2014-05-14 Profiles more than 285 men and women who fought for social reform and influenced American history **Beyond the Revolution** William H Goetzmann,2009-02-24 From 1776 when Citizen Tom Paine declared The birthday of a new world is at hand America was unique in world history A nation suffused with the spirit of explorers constantly replenished by immigrants and informed by a continual influx of foreign ideas it was the world s first truly cosmopolitan civilization In Beyond the Revolution Pulitzer Prize winning historian William H Goetzmann tells the story of America s greatest thinkers and creators from Paine and Jefferson to Melville and William James showing how they built upon and battled one another s ideas in the critical years between 1776 and 1900 An unprecedented work of intellectual history by a master historian this book will be essential reading for anyone interested in the origins of our national culture *The A to Z of the Holiness Movement* William Kostlevy,2010-04 The A to Z of the Holiness Movement relates important new developments in the Holiness Movement such as the widely discussed Holiness Manifesto are thoroughly discussed and the content has also been expanded to include information on figures from Asia and Africa to reflect *The A to Z of the Holiness Movement* William Kostlevy,2010-04-01

It is much harder to define a religious movement than it is to define a religion or denomination That applies especially when that movement almost defies definition as the Holiness Movement does The Holiness Movement is a Methodist religious renewal movement that has over 12 million adherents worldwide Perhaps the most familiar public manifestation of the holiness movement has been its urban holiness missions and the Salvation Army noted for its service ministries among poor and people suffering the dislocations that accompany war and disaster is the most notable example The A to Z of the Holiness Movement relates important new developments in the Holiness Movement such as the widely discussed Holiness Manifesto are thoroughly discussed and the content has also been expanded to include information on figures from Asia and Africa to reflect the continued growth of the Holiness Movement With a chronology an introductory essay a bibliography and over 400 cross referenced dictionary entries this reference has information that cannot be found elsewhere **Sex and Manifest**

Destiny Martin Naporsteck,2012-10-01 Many factors political economic sociological contributed to the United States westward expansion across the continent But the role that sex played has largely been unexplored by scholars This is the first book length study to examine such topics as Thomas Jefferson s interest in the sex lives of American Indians white s fear of Indians raping white women Christian missionary beliefs that Native American sexual practices needed to be altered in order to save Indian souls and the desire of Mormons to practice polygamy These and other sex related dynamics all combined to play a role in America s extension from the Atlantic to the Pacific **Sojourner Truth's America** Margaret

Washington,2011-04-21 This fascinating biography tells the story of nineteenth century America through the life of one of its most charismatic and influential characters Sojourner Truth In an in depth account of this amazing activist Margaret Washington unravels Sojourner Truth s world within the broader panorama of African American slavery and the nation s most significant reform era Born into bondage among the Hudson Valley Dutch in Ulster County New York Isabella was sold several times married and bore five children before fleeing in 1826 with her infant daughter one year before New York slavery was abolished In 1829 she moved to New York City where she worked as a domestic preached joined a religious commune and then in 1843 had an epiphany Changing her name to Sojourner Truth she began traveling the country as a champion of the downtrodden and a spokeswoman for equality by promoting Christianity abolitionism and women s rights Gifted in verbal eloquence wit and biblical knowledge Sojourner Truth possessed an earthy imaginative homespun personality that won her many friends and admirers and made her one of the most popular and quoted reformers of her times Washington s biography of this remarkable figure considers many facets of Sojourner Truth s life to explain how she became one of the greatest activists in American history including her African and Dutch religious heritage her experiences of slavery within contexts of labor domesticity and patriarchy and her profoundly personal sense of justice and intuitive integrity Organized chronologically into three distinct eras of Truth s life Sojourner Truth s America examines the complex dynamics of her times beginning with the transnational contours of her spirituality and early life as Isabella and her embroilments in

legal controversy Truth's awakening during nineteenth century America's progressive surge then propelled her ascendancy as a rousing preacher and political orator despite her inability to read and write Throughout the book Washington explores Truth's passionate commitment to family and community including her vision for a beloved community that extended beyond race gender and socioeconomic condition and embraced a common humanity For Sojourner Truth the significant model for such communalism was a primitive prophetic Christianity Illustrated with dozens of images of Truth and her contemporaries Sojourner Truth's America draws a delicate and compelling balance between Sojourner Truth's personal motivations and the influences of her historical context Washington provides important insights into the turbulent cultural and political climate of the age while also separating the many myths from the facts concerning this legendary American figure

The Enigmatic Realm of **The Man Who Would Be Perfect John Humphrey Noyes And The Utopian Impulse**: Unleashing the Language is Inner Magic
