fantasy is perfect for fans of the Nightmares series and Holly Black's Doll Bones *Adapting Stephen King* Joseph Maddrey, 2023-08-04 Stephen King's fiction has formed the basis of more motion picture adaptations than any other living author. His earliest short stories collected in the Night Shift anthology have been adapted into hit features including Creepshow, Children of the Corn, Cat's Eye, Maximum Overdrive, Graveyard Shift, Sometimes They Come Back, and The Mangler. Through his Dollar Baby program, King licensed several Night Shift stories to aspiring filmmakers for just one dollar each, resulting in numerous student film adaptations. This book critically examines and contextualizes adaptations of the Night Shift short stories from big box office features to relatively unknown student films. It illuminates how each film is a uniquely and intricately collaborative endeavor and charts the development of each adaptation from first option to final cut. Through old and new interviews with the creators, the work explores how filmmakers continue to reinvent, reimagine, remake, and reboot King's stories.

American Twilight Kristopher Woofert, Will Dodson, 2021-06-01 Tobe Hooper's productions, which often trespassed upon the safety of the family unit, cast a critical eye toward an America in crisis. Often dismissed by scholars and critics as a one-hit wonder thanks to his 1974 horror classic *The Texas Chain Saw Massacre*, Hooper nevertheless was instrumental in the development of a robust and deeply political horror genre from the 1960s until his death in 2017. In *American Twilight*, the authors assert that the director was an auteur whose works featured complex monsters and disrupted America's sacrosanct perceptions of prosperity and domestic security. *American Twilight* focuses on the skepticism toward American institutions and media and the articulation of uncanny spaces so integral to Hooper's vast array of feature and documentary films made for television, movies, television episodes, and music videos. From *Egg Shells* (1969) to *Poltergeist* (1982), *Djinn* (2013), and even Billy Idol's music video for *Dancing with Myself* (1985), Tobe Hooper provided a singular directorial vision that investigated masculine anxiety and subverted the idea of American exceptionalism.

New York Magazine, 1995-03-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

The Manglers of Carraig Jacob Emrey, 2025-10-15 The monsters don't hunt North Hill. Not where the lights never go out. Not where the streets glitter with emerald warding gems. But in the alleys of the lower city, children vanish, screams echo, and blood slicks the cobblestones. Conell knows he's seen the price of darkness firsthand as a child of the slums. Riona, meanwhile, safe behind a wealth of green gems, turns mangler fangs into ornaments for the wealthy, an openly detestable enterprise but secretly the talk of the town. Unfortunately, her supplies are running low. If only she could find some poor soul to risk life and limb to stock her lucrative endeavor.

Bubba's Rules for Country Living Joseph R. Miller, 2011-06-25 *Bubba's Rules for Country Living* comes from my own experience at the Country Store at Lake Kickapoo in Northern Archer.

County in North Texas I moved to a small place at the Lake when disability forced me away from medical practice A wonderful life awaited me I was born in Ohio and raised all over the Midwest but had the lasting good fortune to move to Texas and to marry South My mother acted Yankee nearly all her life even when she lived with us at Kickapoo but my father countered her harshness with a Welsh sense of humor that fit in no matter where he was or who was listening His stories had a cadence to them a rhythm that rivaled what I heard at Kickapoo Listening to him when I was a child I learned that art as well Not like my father never that grand But I could tell a story and I could listen without interrupting or looking away or letting my attention wander And those wonderful men at the store at Kickapoo accepted me They invited me to sit at the table labeled Stammtisch and allowed as how if there happened to be a pause that signaled the end of a story and I could jump in fast enough I might could tell a story of my own Just might could mind you Nothing was certain at the table labeled Stammtisch at the store at Kickapoo except Bubba s rules for living **The Book Didn't Mention Aliens** Cher
