The Marriage Of Meggotta:

The Marriage of Meggotta Edith Pargeter, 1979 Originally published in 1979 this is the last novel Edith Pargeter wrote under her own name Set in England in the 13th century among the nobles and aristocrats surrounding King Henry III it tells the true story of the secret marriage of the Earl of Kent's ten year old daughter and the tragic consequences that follow in its wake **The Marriage of Meggotta** Ellis Peters, 1979 **The Pageant of England (Complete Plantagenets Series)**

Thomas B. Costain, 2023-11-26 In Thomas B Costain's monumental work The Pageant of England readers are taken on a sweeping journey through the history of England during the Plantagenet era Costain's vivid and detailed narrative brings to life the major events rulers and societal changes that shaped England during this turbulent period His engaging storytelling style combined with meticulous research and attention to historical accuracy makes this book a captivating read for history enthusiasts and scholars alike The literary context of the book reflects Costain's expertise in historical fiction as he seamlessly weaves together facts and imagination to create a rich tapestry of the past Thomas B Costain a renowned Canadian author and historian drew from his deep passion for English history and his extensive research to produce The Pageant of England His lifelong dedication to studying the past and his knack for storytelling shine through in this comprehensive exploration of the Plantagenet dynasty Costain's impeccable reputation as a historical fiction writer adds credibility to his portrayal of England's history making this book a valuable resource for anyone interested in the medieval period I highly recommend The Pageant of England to readers seeking an immersive and insightful journey through the Plantagenet era Costain's masterful storytelling and in depth historical knowledge make this book an essential addition to any history buff's library **The Magnificent Century: The Pageant of England** Thomas B. Costain, 2022-08-16 DigiCat

Publishing presents to you this special edition of The Magnificent Century The Pageant of England by Thomas B Costain DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature A Baronial Family in Medieval England Michael Altschul, 2019-12-01 Originally published in 1965 In A Baronial Family in Medieval England The Clares 1217 1314 Michael Altschul studies the Clare family during the thirteenth century The Clares spearheaded the struggle to enforce Magna Carta in the Barons War Historians prior to Altschul tended to neglect the Clares history given the scattered nature of the archives documenting their time as a politically influential and powerful family This book unfolds chronologically outlining the Clares rise to preeminence and describing how they administered their estates and income

The Magnificent Century Thomas B. Costain, 2018-04-03 Following The Conquerors in chronological sequence this second book covers the long reigns of the weathercock King Henry III from 1216 to 1272 And again Thomas B Costain combining years of keen research with his practiced skill at novel writing has brought vividly to life an era and its people proving once

more that factual history can be superb entertainment It was during the period covered in this book an age appropriately termed the magnificent century that England first made remarkable strides toward freedom establishing principles of democratic rule which would later be accepted by the world Englishmen returned home from the Crusades with the first implements for a new life foreign books medicines and maps of the East new foods new heresies and even new diseases Although wars went on as before and ignorance still held sway this was the beginning of an awakening which was to sweep men on to spectacular advances in the arts science philosophy and theology As always in a Costain book this story of a great age is told through the people who lived in it the great and the small Among many others there are graphic portraits of the weak vacillating monarch Henry and his beautiful wife Eleanor of Provence who became England's most hated queen famous statesman and soldier Simon de Montfort whose personal feud with the royal family brought on civil war courageous churchman Robert Grosseteste who taught his pupils the first glimmers of scientific truth and Roger Bacon a man of mighty intellect and fascinating mystery who developed the principles of research and experiment upon which scientific progress has been based Long cherishing this project to present English history as a colorful readable human story Thomas Costain in **THE MAGNIFICENT CENTURY** as in *The Conquerors* has succeeded admirably in portraying all the drama and bright pageantry of a vital age in the chronicle of England

The Magnificent Century Thomas Bertram Costain, 2023-11-26 In *The Magnificent Century* by Thomas Bertram Costain readers are transported to the captivating world of historical fiction as Costain skillfully weaves together a tale set in 16th century France The book is rich in historical detail bringing to life the court intrigues political machinations and lavish lifestyles of the characters Costain's literary style is engaging and descriptive making the reader feel as though they are truly living in this tumultuous period of history As a historical novel *The Magnificent Century* stands out for its meticulous research and attention to detail creating a vivid picture of the era for readers to immerse themselves in The book is a great choice for those interested in historical fiction French history or simply looking for a well crafted story to get lost in
