Neil Campbell

The Lusty Men:

Hardboiled in Hollywood David E. Wilt, 1991 Covers the film careers of five screenwriters who were crime and mystery writers for the famous Black mask pulp magazine Also shows how these five writers applied their pulp writing expertise to the movies

Defeated Masculinity Raya Morag, 2009 The burgeoning field of trauma and cinema is an exciting development within contemporary trauma studies The author of this book describes the complex relationship between cinema and the trauma of defeat in war An asymmetric and non binary comparison of two test cases post World War II New German Cinema and post Vietnam War American cinema illuminates the indirect and intriguing ways these societies have dealt with the enormous psycho cultural difficulty of acknowledging their defeat and understanding its manifold meanings This book draws on psychoanalysis masculinity studies and corporeal feminism to explore the bodily experience of defeat It examines themes and representations of body and sexuality to create a theoretical framework that reveals anew the link between defeated masculinity and nationalism Building on an original analysis of such varied films as *The Deer Hunter* *Full Metal Jacket* *The Tin Drum* and *Paris Texas* the author suggests new criteria that highlight the characteristics of post traumatic cinema

Post-Westerns Neil Campbell, 2020-04-01 During the post World War II period the Western like America's other great film genres appeared to collapse as a result of revisionism and the emergence of new forms Perhaps however as theorists like Gilles Deleuze suggest it remains simply maintaining its empty frame Yet this frame is far from empty as *Post Westerns* shows us rather than collapse the Western instead found a new form through which to scrutinize and question the very assumptions on which the genre was based Employing the ideas of critics such as Deleuze Jacques Derrida and Jacques Rancière Neil Campbell examines the haunted inheritance of the Western in contemporary U S culture His book reveals how close examination of certain postwar films including *Bad Day at Black Rock* *The Misfits* *Lone Star* *Easy Rider* *Gas Food Lodging* *Down in the Valley* and *No Country for Old Men* reconfigures our notions of region and nation the Western and indeed the West itself Campbell suggests that post Westerns are in fact ghost Westerns haunted by the earlier form's devices and styles in ways that at once acknowledge and call into question the West both as such and in its persistent ideological framing of the national identity and values

Rebel Without a Cause J. David Slocum, 2005-09-27 Five decades after the production and initial release of *Rebel Without a Cause* this book examines both the complicated historical moment in which the film was made as well as its continuing and pervasive influence on film today The contributors track how the film continues to speak to diverse audiences as a touchstone for imagined anxieties over adolescence and coming of age traditional values of family and community threats from abroad and the provocations of mass or consumer society Although the specific sources and motivations for rebellion have shifted what has persisted is the film's singular power to represent rebellion in what could otherwise be seen as the everyday and to move viewers to ponder its causes

The Western Films of Robert Mitchum Gene Freese, 2019-11-19 Robert Mitchum was and still is one of Hollywood's defining stars of Western

film For more than 30 years the actor played the weary and cynical cowboy and his rough and tough presence on screen was no different than his one off screen With a personality fit for western noir Robert Mitchum dominated the genre during the mid 20th century and returned as the anti hero again during the 1990s before his death This book lays down the life of Mitchum and the films that established him as one of Hollywood s strongest and smartest horsemen Going through early classics like Pursued 1947 and Blood on the Moon 1948 to more recent cult favorites like Tombstone 1993 and Dead Man 1995 Freese shows how Mitchum s nuanced portrayals of the iconic anti hero of the West earned him his spot in the Cowboy Hall of Fame

Screen Savers John DiLeo,2010 Boris Karloff will forever be Frankenstein s Monster but is that any reason for us to overlook his later great horror film Isle of the Dead 1945 An Oscar was George Clooney s reward for Syriana 2005 but isn t the underrated war film Three Kings 1999 still his best movie Woman of the Year 1942 introduced the team of Tracy and Hepburn yet didn t their later Pat and Mike 1952 resoundingly surpass it Jeff Bridges has long been one of our best actors so why didn t anyone take notice of his sleeper Bad Company 1972 The lasting impact of Psycho 1960 unfairly overshadows Anthony Perkins s great work in the darkly comic thriller Pretty Poison 1968 while Stanley Kubrick s later work keeps his terrific caper The Killing 1956 from attaining classic status Can you really say you love Audrey Hepburn if you haven t seen her at her most radiant in Stanley Donen s gem Two for the Road 1967 Screen Savers 40 Remarkable Movies Awaiting Rediscovery puts the spotlight on these and other superb yet underappreciated movies spanning the twentieth century Essential stars and directors are represented here not for their undisputed marvels but for other equally wonderful films that warrant overdue or renewed recognition Cover Girl They Came to Cordura Portrait of Jennie The Seventh Cross The Lusty Men Hail the Conquering Hero Rambling Rose Time after Time and many others Author John DiLeo offers full bodied appraisals of each of his selections breezily combining scholarly acumen with a film fanatic s passion DiLeo utilizes his lively accessible style and sharp insightful critical eye venturing beyond obvious choices and whetting our appetites to see these vital movies Be they underseen dismissed or taken for granted in their day the films in Screen Savers deserve a place of honor in our film heritage

The Lusty Men Horace MacCoy,Nicholas Ray,1975 Tensions lead to the death of one of a pair of rider friends on a rodeo tour Standard melodrama with semi documentary detail and star performances dt
