one and the same vibrating energy at the subatomic level Besides quantum physics the book also addresses the questions of mind and consciousness The book has been written as an aid to those who wish to broaden their horizons or are already practicing energy healing yet could use tools for telling others about it The book is also meant for everyone who may be seeking support from complementary medicine About the Author Johanna Blomqvist Ph D is a physicist entrepreneur Reiki master teacher remote energy healer and internationally published author In her work she combines a wide variety of fields and methods in a unique way often discussing topics from the cutting edge and unconventional areas of science Blomqvist is also a sought after lecturer and trainer Blomqvist s first book From Quantum Physics to Energy Healing A Physicist s Journey to Mind and Healing was published on Amazon on May 2018 She has written also Hyperreality Beyond the Horizon where Physics Meets Consciousness 2021 and The Mystery of Water A Physicist s Dive into Our Deepest Essence In her book From Quantum Physics to Energy Healing A Physicist s Journey to Mind and Healing Dr Johanna Blomqvist provides a stimulating and informative introduction to the phenomenon of anomalous energy healing along with the story of her own journey of exploration I heartily recommend it to anyone who is drawn to the topic of alternative healing and desires to learn more about it Brenda Dunne President ICRL International Consciousness Research Laboratories **The Soul Speaks** Ashley Dawn,2015-12-10 In these pages you will discover Ashley Dawns unique journey of healing work Being a Holistic Health Practitioner Reiki Master and Light Worker Ashley provides insight to the spiritual world of healing This book offers suggestions on how to build on your natural gifts of healing while encompassing our one true power love Wonderful for anyone interested in beginning a spiritual career or for a professional healer who may enjoy the reminder of why we do what we do In addition she provides inspiring stories of true healing from her experience as a Light Worker MODERN RELIGIONS: AN EXPERIENTIAL ANALYSIS AND EXPOSf Elliot Benjamin, Ph.D.,2013-10-03 This book is an experiential analysis of over twenty modern religious spiritual groups The book is divided into two generic segments inclusive of a tri perspective experiential analysis using a variety of cult danger rating scales and a more personal experiential description of the author s involvement in these groups written in stream of consciousness essay form The groups explored include controversial religious organizations such as Scientology and The Unification Church as well as lesser known religious groups such as Conversations with God and Avatar and also new age retreat centers such as Omega Institute for Holistic Studies and Kripalu Center for Yoga and Health The author describes both the dangers and benefits of various groups and based upon his own experiences is able to rate these groups on a cult danger vs spiritual benefits scale on a gradient from high cult danger to favorable spiritual group *Basic Training* Sandy Bell,2020-04-29 In writing this manual it is my hope to deliver a clear understanding of the why and how the church is to minister to those in need of healing We need to have a better understanding of what healing may or may not look like This manual was written for the purpose of training Jesus s disciples in the ministry of healing Inside these pages are a toolbox that can be used anywhere at any time We must

understand as Christ's disciples on the frontlines of life the key to all healing is not in anything we do except to flow with what Jesus is doing through our relationship with him. His ways are not our ways. He will go to any length to accomplish what is needed to have a relationship with those He loves. Every healing will be according to the will and purposes of God. It is essential that the reader knows the One who is the source of all healing: physical, emotional, mental, and spiritual. We become whole in body, soul, and spirit because it is God's desire and Jesus's sacrifice. El Roi knows us and our troubles. It was the great commission that Jesus commanded His disciples to preach the Gospel to all people. Whoever believes the good news and is baptized will be saved, and whoever does not believe will be condemned. Miracle signs will accompany those who believe. They will drive out demons, speak in tongues, be protected from snakes and from drinking anything poisonous. They will lay hands on the sick, the diseased, and the disabled and heal them. It is my prayer that you will be blessed with a deeper level of wisdom, knowledge, and revelation from God to minister wholeness to others as the Holy Spirit leads you in the ministry of healing.
