## **The Man With The Miracle Cure:**

*Miracle Cures* Robert A. Scott, 2011-10-04 Scott has written a magnificent book on the realities of religious healing He brings sensibility reason impressive insight and the best information to bear qualities seldom manifested in the centuries of claim cynicism and controversy on the topic His analysis is destined to raise the level of discourse on dramatic religious experiences Neil Smelser author of *The Odyssey Experience* **Library of Congress Subject Headings** Library of Congress, 2013 **Experience the Healing Miracles of Jesus** Paul Feider, 2025-03-18 Jesus brought supernatural power to earth and demonstrated that power in his healing ministry He promised that power to all who are baptized into a life commitment to him This book takes readers into the mystery of divine healing to discover how this supernatural energy can enhance one's life and ministry It breaks open twenty nine healing accounts from the Gospels along with stories of healings in the present day to demonstrate how believers can carry this divine healing energy to those with whom they live and work For people who want to learn more about how to participate in the divine healing described in the Gospels this journey gives readers the tools to do what they desire For those in the healthcare field this journey will open the way to augment one's practice with divine energy to bring healing For therapists discovering divine healing power will allow one to go deeper into the core issues of people served and release the pain of their inner wounds that could not be reached alone For healing prayer ministers or pastors of a church this search will offer new insights on how to take people to a greater wholeness by the power of Jesus healing love *Handbook of Miracles* Nicholas Llanes Rosal, STD, PhL, MSJ, 2013-11 Miracles are extraordinary facts or events that happen through divine intervention They strike instantaneous fear awe and admiration They are not meant for entertainment as the mad King Herod wanted them from Jesus Neither were they for the amusement of Satan who tried to tempt Jesus to turn stone into bread The extraordinary awesome character of miracles is meant by God to attract man's curiosity to hear what He wants him or her to know or need to know for his salvation That's divine psychology very much like what scholastics used to teach learning starts with the senses Remember how Moses curiosity was excited by the burning bush that preceded God's message go seek Pharaoh to let God's chosen People go Indeed once man's attention is engaged God reveals His message a salvation related message Miracles are God's ways of communicating what He wants people to know and live by to attain the purpose of their existence Citing extraordinary events in the Old Testament and the prodigious works of Christ the Apostles and the Saints *Handbook of Miracles* defines miracles as conveyors of God's messages of salvation Every true miracle is salvation ordained Miracles were among Christ's manners by which He revealed a way of life that leads people to eternal happiness By the miracle of His resurrection for instance Christ reveals He is the Son of God sent by the Father to redeem mankind from sin The book further explains the nature of miracles from philosophy and theology From eternity we read the Creator determined what everything in His creation can or cannot do God's creation includes angels who are pure spirits and humans who are made of spirit and matter He created the universe and everything

in it physical objects time and movement any conceivable and inconceivable energy and potency embedded in them The sum total of His creation and everything in it is what we come to know as nature Nature is finite it has limits Only God is infinite He is limitless He can do what He wills to do can make any creature do what is beyond what He determined it can or cannot do And when that happens miracle occurs The author also explains scripturally and theologically how Mary's conception of Jesus and His birth are miracles so are Mary's immaculate conception and assumption to heaven The conversions of St Peter and St Paul are also discussed as internal miracles as explained by St Thomas Aquinas Handbook of Miracles notes that since people live in space and time that continually change God makes miracles to happen in different times and various places thus miracles happen in every generation and in various places of the world The messages conveyed by the Saints miracles together with their holy lives model and explain for their generation and generations after them the way of life taught by Christ This book attempts to spell out the meaning of each of the Saints miracles but also invites readers to meditate on the miracles significance as applicable to every reader's personal life The Handbook discusses the various miracles wrought by God through the Saints who because of their holy lives their unwavering faith and heroic love of God and neighbor became conduits of God's power and mercy Accordingly one or the other Saint raised the dead back to life cured the sick multiplied food read minds and prophesied received the gift of tongues defied the enemies of God and laws of nature levitated and shone like the sun And each of these miracles conveyed a divine message of salvation Citing the Scriptures the author cites conditions by which miracles can happen to anybody unwavering faith coupled with love according to St Paul If I have faith so as to remove mountains yet do not have love I am nothing 1 Cor 13 2 3 Perseverance Lk 18 37 41 Resignation to God's will by which we ask God's will be done Lk
