The Marriage Experiment And Other Stories

Harriet Elizabeth Prescott Spofford

The Marriage Experiment And Other Stories:

The Marriage Experiment and Other Stories Frank Kofi Nyaku,1984 **The Amber Gods, and Other Stories**

Harriet Elizabeth Prescott Spofford,1989 A widely held vision of nineteenth century American women is of lives lived in naive domestic peace the girls of Little Women making do until father comes home from the war Nothing could be less true of Harriet Prescott Spofford s stories In fact her editor at the Atlantic Monthly at first refused to believe that an unworldly woman from New England had written them Her style though ornate by our 20th century standards adds to its atmosphere like heavy Baroque furniture in a large and creepy house The title story presents a self centered and captivating woman who ruthlessly steals her orphan cousin s lover In Circumstance a pioneer woman returning home through the woods at night is caught by a panther her husband who has come to save her can only watch from the ground as she sings for her life pinned in a tree A train engineer hallucinates again and again that he is running over his wife And Mrs Craven who s a bit weak in the head mindlessly repeats Three men went down cellar and only two came up These stories combine elements of the best ghost stories timing detail and character with just enough chill to make you think twice about turning out your lights at night

John Ingerfield and Other Stories Jerome K. Jerome,2019-01-10 Excerpt Once upon a time I wrote a little story of a woman who was crushed to death by a python A day or two after its publication a friend stopped me in the street Charming little story of yours he said that about the woman and the snake but it s not as funny as some of your things The next week a newspaper referring to the tale remarked We have heard the incident related before with infinitely greater humour With this and many similar experiences in mind I wish distinctly to state that John Ingerfield The Woman of the S ter and Silhouettes are not intended to be amusing The two other items Variety Patter and The Lease of the Cross Keys I give over to the critics of the new humour to rend as they will but John Ingerfield The Woman of the S ter and Silhouettes I repeat I should be glad if they would judge from some other standpoint than that of humour new or old **An Autobiography or The Story of My Experiments with Truth** Tridip Suhrud,2017-10-03 In his translator s preface to the revised edition of Gandhiji s

autobiography Mahadev Desai stated It has now undergone careful revision and from the point of view of language it has had the benefit of careful revision by a revered friend who among many other things has the reputation of being an eminent English scholar The identity of the revered friend was not disclosed nor were the extent and nature of changes recorded This concordance table reconstructs the entire process of revision and provides a detailed analysis of the changes made by Sir V S Srinivasas Sastri **The Next Face and Other Stories** Roy Swanepoel,2010 **The man that corrupted Hadleyburg, and other stories and sketches by Mark Twain** Mark Twain,Samuel Langhorne Clemens,1900 *Constance Fenimore*

Woolson's Subversive Politics Victoria Brehm,2023-05-22 This seminal study reveals how Constance Fenimore Woolson participated in debates on nineteenth century political topics considered the province of men She commented on the most important issues of her time monetary policy post Reconstruction legal decisions racial justice and interracial marriage

women's rights religious hypocrisy environmental destruction destabilizing international developments and the moral character of the nation The innovative essays in this book introduce her techniques and the political concerns that inspired her complicated art encouraging scholars to begin the process of rereading and reanalyzing Woolson's oeuvre to understand the compelling allegories and satires she created The oppositional intertextual and referential techniques she developed allowed her to enter contested political conversations about compelling nineteenth century problems like few women of her century sometimes making her work political commentary as much as fiction **International Books in Print**, 1991
