summer of 1818 I was occupied in exploring the private cabinets of his friends in the northern and eastern states It is impossible to express my sense of the polite attention which I received from the friends and admirers of General Greene during these researches The intelligence had preceded me that I was collecting materials for the Biography of General Greene and original documents were showered upon me from all quarters while his friends showed themselves ever ready to listen to and satisfy all those explanatory inquiries which the materials already in my hands suggested I found that the general's early correspondence had been religiously preserved and that various small collections of historical materials had been made which were now liberally communicated to me to aid in a work in the promotion of which every one manifested an individual interest I must here express my sense of the kind attentions of General Gibbs at present Governor Gibbs of Rhode Island of his brother Colonel Gibbs of Long Island and of the surviving brothers and nephews of General Greene also of his two early friends Colonel Ward and General Vsrnum who had passed their youth in habits of unrestrained intimacy with the subject of these Sketches and could furnish of him what may be called the delineations of the heart About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
