Paul A. Pickering

Skills Outlooks Passions A Psychoanalytic Contribution To The Study Of Politics:

Skills Outlooks and Passions A. F. Davies, 1981-01-29 Political psychology as the study of the personal aspect of political processes has a very long history but it is only in the last decade that it has taken shape as a systematic discipline This is the first book by a single author to provide a comprehensive account of relevant work in the field The studies which Professor Davies reviews range from technical psychoanalysis to clinical and social psychology from political science to management from personality theory to general and political biography and are fully international in scope The order he bestows on them is original and instructive and as a sustained effort of critical discrimination the narrative is impressive and intellectually exciting Throughout the reader is made aware of a world of exploration and discover in the process of being opened up

Skills Outlooks and Passions Alan Davies, 1980 This is the first book to provide a comprehensive account of the study of the personal aspect of political processes **The Australian Study of Politics** R. Rhodes, 2009-11-11 The Australian Study of Politics provides the first comprehensive reference book on the history of the study of politics in Australia whether described as political studies or political science It focuses on Australia and on developments since WWII also exploring the historical roots of each major subfield **The Oxford Handbook of Political Leadership** R. A. W. Rhodes, Paul 't

Hart, 2014-05-29 Political leadership has made a comeback It was studied intensively not only by political scientists but also by political sociologists and psychologists Sovietologists political anthropologists and by scholars in comparative and development studies from the 1940s to the 1970s Thereafter the field lost its way with the rise of structuralism neo institutionalism and rational choice approaches to the study of politics government and governance Recently however students of politics have returned to studying the role of individual leaders and the exercise of leadership to explain political outcomes The list of topics is high endless elections conflict management public policy government popularity development governance networks and regional integration In the media age leaders are presented and stage managed spun DDLas the solution to almost every social problem Through the mass media and the Internet citizens and professional observers follow the rise impact and fall of senior political officeholders at closer quarters than ever before This Handbook encapsulates the resurgence by asking where are we today It orders the multidisciplinary field by identifying the distinct and distinctive contributions of the disciplines It meets the urgent need to take stock It brings together scholars from around the world encouraging a comparative perspective to provide a comprehensive coverage of all the major disciplines methods and regions It showcases both the normative and empirical traditions in political leadership studies and juxtaposes behavioural institutional and interpretive approaches It covers formal office based as well as informal emergent political leadership and in both democratic and undemocratic polities **The Oxford Handbook of Political Psychology** Leonie Huddy, David O. Sears, Jack S. Levy, 2003-07-31 Political psychology applies what is known about human psychology to the study of politics It examines how people reach political decisions on topics such as voting party identification and political attitudes as well as

how leaders mediate political conflicts and make foreign policy decisions The Oxford Handbook of Political Psychology gathers together a distinguished group of scholars from around the world to shed light on these vital questions Focusing first on political psychology at the individual level attitudes values decision making ideology personality and then moving to the collective group identity mass mobilization political violence this fully interdisciplinary volume covers models of the mass public and political elites and addresses both domestic issues and foreign policy Now with new material providing an up to date account of cutting edge research within both psychology and political science this is an essential reference for scholars and students interested in the intersection of the two fields *The Oxford Handbook of Political Psychology*, 2023-09-08

This updated third edition gathers together an international group of distinguished scholars to provide an up to date account of key topics and areas of research in political psychology Focusing first on political psychology at the individual level attitudes values decision making ideology personality and then moving to the collective group identity mass mobilization political violence this fully interdisciplinary volume covers models of the mass public and political elites and addresses both domestic issues and foreign policy Now with new chapters on authoritarianism nationalism status hierarchies and minority political identities along with updated material this is an essential reference for scholars and students interested in the intersection of the two fields *The Enigmatic Mr Deakin* Judith Brett, 2017-08-14 Alfred Deakin scholar spiritualist prime minister was instrumental in creating modern Australia In the first biography of Deakin in more than half a century the acclaimed political historian Judith Brett deftly weaves together his public private and family lives She brings out from behind the image of a worthy bearded father of federation the principled and passionate gifted and eccentric figure whose legacy continues to shape the contours of the nation's politics Judith Brett is the award winning author of *Robert Menzies Forgotten People* emeritus professor of politics at La Trobe University and one of Australia's leading political thinkers She contributes regularly to the *Monthly* and has written three *Quarterly Essays* This is the first book to bring together the spiritual political and personal life of one of Australia's most significant politicians Alfred Deakin As Brett deftly explores and weaves these strands together we begin to understand Alfred Deakin his motivations and indeed his enigmatic qualities This is a psychological study of Australia's former Prime Minister Beginning with his Melburnian upbringing Brett shows how his social and familial context shaped him The city of Melbourne of the period is revealed as crucial to how we are to comprehend and understand Deakin Brett is a fine writer and the text displays her curiosity and her depth of knowledge This is a comprehensive work which will stand as a definitive source on Alfred Deakin Prime Minister's Literary Awards 2018 Judges comments Truly one of the great political biographies of our time a delicately nuanced warm and insight account of my personal misgiving aside one of the most noteworthy political figures in Australian history Inside Story The Enigmatic Mr Deakin stands as the culmination of her work on the history politics and philosophy of Australian liberals and it is the one biography of Deakin to which we will repeatedly return Brett's writing is capable of extraordinary clarity insight and

compassion Monthly Judith Brett has proven the perfect biographer Jason Steger on National Biography Award win Sydney Morning Herald A significant contribution to biography and political history that is beautifully written and full of interest Royal Victorian Historical Society Accessible and informative this style of biography layers facts over questions that draw in readers curious about what makes human beings do the things we do This is biography for our times Daily Review The Enigmatic Mr Deakin explores our second prime minister's career with full attention to his intense inner life and family relationships Her title points to the puzzles but Brett doesn't simplify she ponders suggests dramatises Closely observed and psychologically persuasive this is more than a life and times it is a life Australian Book Review This excellent biography will appeal to general readers students and anyone interested in historical biography Books Publishing A woman's eye on a powerful man has never felt so penetrating perceptive and surprisingly loving Clare Wright Sydney Morning Herald's Year in Reading Alfred Deakin long my favourite Victorian was truly the full package polymath progressive idealist spiritualist man of action And he had a fantastic beard All he lacked was a good biography but not anymore Saturday Paper Best Books of 2017 In this engrossing and quietly profound biography Judith Brett brings Deakin back into Australia's contemporary political imagination so we can better understand how he shaped the country we live in today In this age of increasingly polarised politics Brett's book is at once a warm portrait of a great politician and a sharp provocation to today's leaders to forge a better way John Daley CEO Grattan Institute Prime Minister's Summer Reading List 2017 A richly rewarding excursion into the private mind and emotions but also into the public life and times of a remarkable individual full of surprising detail and profound observations about the Australian polity Among the very best political biographies written in Australia Judges Comments National Biography Award 2018 **Australia** Anthony Moran, 2005-07-05 In this book Anthony Moran traces the development of contemporary Australian society in the global age focusing on four major themes settler indigenous relations economics and culture since the 1980s and their impact on national identity the effects of increasing diversity fostered by globalization and the transformation of Australian social space wrought by globalization *Unrespectable Radicals?* Paul A. Pickering, 2016-02-24 In 1988 Iain McCalman's seminal work *Radical Underworld* unravelled the complex and clandestine revolutionary networks of democrats that operated in London between 1790 and the beginnings of Chartism to reveal an urban underworld of prophets infidels pornographers and rogue preachers where powerful satirical and subversive subcultures were developed This present volume reflects and builds upon the diversity of McCalman's discoveries to present fresh insights into the culture and operation of popular politics in the age of reform It is a coherent and integrated treatment of the subject that offers a window into this unrespectable underworld and questions whether it was a blackguard subculture or a more complex and rich counter culture with powerful literary legal and political implications This book brings together an international team of experienced scholars to explore the concepts and subjects pioneered by McCalman The volume presents a focused and coherent review of popular politics from the meeting rooms of a reform society and the theatre stage

to the forum of the courtroom and the depths of prison **The Making of Educational Leaders** Peter Gronn,1999-05-28 Peter Gronn provides a model of the process by which leaders characters are shaped for leadership in different educational contexts He focuses on the attributes of the individual and the formative circumstances which have shaped their perceptions and understandings The Capacity to Govern Yehezkel Dror,2012-12-06 The inadequacies of contemporary forms of governance are increasingly recognized the brain drain from politics distrust of governments the danger of mass media and money dominated elections and the failure of governments to find good policy options on major issues Industry civil society and non governmental organizations however important cannot compensate for government s incapacity to shape the future which only it is democratically entitled to do Radical improvements in governance are urgently needed but salient proposals are scarce This book diagnoses contemporary governments as obsolete and proposes changes in values structures staffing public understanding and political culture to equip governance for the radically novel challenges of the 21st century This is the first Report dealing with governance commissioned and approved by the Club of Rome testifying to the significance of this book **Journeyings** Janet McCalman,2015-09-07 Journeyings begins with a tram journey the sixty nine tram collecting boys and girls from Melbourne s middle class heartland on their first day of school for 1934 It marks the beginning of an extraordinary journey through Australian private life that commences with the gold rushes of the 1850s and concludes in our own time tracing the life journeyings of a generation of boys and girls from four of Melbourne s legendary private schools In an engrossing and highly original exploration of one of the most neglected subjects in Australian social history the middle class Janet McCalman has produced a worthy successor to her acclaimed portrait of working class life Struggletown

Affective Intelligence and Political Judgment George E. Marcus,W. Russell Neuman,Michael MacKuen,2000-10 This work draws on research in neuroscience physiology and experimental psychology to conceptualize habit and reason as two mental states that interact in a delicate highly functional balance controlled by emotion It sheds light on a range of political behaviour including party identification **Harold D. Lasswell: An Annotated Bibliography** Rodney Muth,Mary M. Finley,Marcia F. Muth,1990-07-31 *Lifetimes of Commitment* Molly Andrews,1991-05-31 Explores the ways in which political belief is developed and sustained throughout the course of a lifetime Through interviews it focuses on the lives of 15 British men and women aged between 70 and 90 who have dedicated half a century or longer to working for social change and justice International Bibliography of Social Science International Committee for Social Science Information and Documentation,1984-03-15 First published in 1984 Routledge is an imprint of Taylor Francis an informa company

Political Psychology And Foreign Policy Eric Singer,Valerie M Hudson,2020-02-24 First published in 1992 One of the issues of particular interest to political psychologists centers around how foreign policy decisions are made The psychological phenomena that political psychologists examine have to do with how individuals perceive interpret feel about and react to their environment The political factors have to do with the activities involved in governing or the making of public policy that

is with how the material and human resources of a collectivity are allocated The research presented in this volume addresses 6 key questions that link psychological and political processes and the chapters are organized around three conceptual clusters: perception studies, personality studies and studies of group dynamics

The Oxford Handbook of Australian Politics Jenny M. Lewis, Anne Tiernan, 2021-10-20 The Oxford Handbook of Australian Politics is a comprehensive collection that considers Australia's distinctive politics both ancient and modern at all levels and across many themes It examines the factors that make Australian politics unique and interesting while firmly placing these in the context of the nation's Indigenous and imported heritage and global engagement The book presents an account of Australian politics that recognizes and celebrates its inherent diversity by taking a thematic approach in six parts The first theme addresses Australia's unique inheritances examining the development of its political culture in relation to the arrival of British colonists and their conflicts with First Nations peoples as well as the resulting geopolitics The second theme, improvisation, focuses on Australia's political institutions and how they have evolved Place making is then considered to assess how geography, distance, Indigenous presence and migration shape Australian politics Recurrent dilemmas centres on a range of complex political problems and their influence on contemporary political practice Politics, policy and public administration covers how Australia has been a world leader in some respects and a laggard in others when dealing with important policy challenges The final theme, studying Australian politics, introduces some key areas in the study of Australian politics and identifies the strengths and shortcomings of the discipline The Oxford Handbook of Australian Politics is an opportunity for others to consider the nation's unique politics from the perspective of leading and emerging scholars and to gain a strong sense of its imperfections, its enduring challenges and its strengths

Postcolonialism and Political Theory Nalini Persram, 2008-01-01

Postcolonialism and Political Theory explores the intersection between the political and the postcolonial through an engagement with critique of and challenge to some of the prevalent restrictive tenets and frameworks of Western political and social thought It is a response to the call by postcolonial studies as well as to the urgent need within world politics to turn towards a multiplicity largely excluded from globally dominant discourses of community, subjectivity, power and prosperity constituted by otherness, radical alterity or subordination to the newly reconsolidated West The book offers a diverse range of essays that re-examine and open the boundaries of political and cultural modernity's historical domain that look at how the racialized and gendered and cultured subject visualizes the social from elsewhere that critique the limits of postcolonial theory and its claim to celebrate diversity and that complicate the notion of postcolonial politics within settler societies that continue to practice exile of the indigenous Postcolonialism and Political Theory is an ideal book for graduate and advanced undergraduate level study and for those working both disciplinarily and interdisciplinarily both inside and outside academia

Explorations in Political Psychology Shanto Iyengar, William James McGuire, 1993 Mapping the territory where political science and psychology intersect Explorations in Political Psychology offers a broad overview of the field

of political psychology from its historical evolution as an area of inquiry to the rich and eclectic array of theories concepts and methods that mark it as an emerging discipline In introductory essays editors Shanto Iyengar and William J McGuire identify the points of exchange between the disciplines represented and discuss the issues that make up the subfields of political psychology Bringing together leading scholars from social psychology and political science the following sections discuss attitude research the study of political attitudes and opinions cognition and information processing the relationship between the structures of human information processing and political and policy preferences and decision making how people make decisions about political preferences As a comprehensive introduction to a growing field of interdisciplinary concern Explorations in Political Psychology will prove a useful guide for historians social psychologists and political scientists with an interest in individual political behavior Contributors Stephen Ansolabehere Donald Granberg Shanto Iyengar Robert Jervis Milton Lodge Roger D Masters William J McGuire Victor C Ottati Samuel L Popkin William M Runyan David O Sears Patrick Stroh Denis G Sullivan Philip E Tetlock Robert S Wyer Jr
