**Twelve Years a Slave** Solomon Northup,2014-06-05 When the editor commenced the preparation of the following narrative he did not suppose it would reach the size of this volume In order however to present all the facts which have been communicated to him it has seemed necessary to extend it to its present length Many of the statements contained in the following pages are corroborated by abundant evidence others rest entirely upon Solomon s assertion That he has adhered strictly to the truth the editor at least who has had an opportunity of detecting any contradiction or discrepancy in his statements is well satisfied He has invariably repeated the same story without deviating in the slightest particular and has also carefully perused the manuscript dictating an alteration wherever the most trivial inaccuracy has appeared
