Slaves, Citizens, Sons Francis Lyall, 1984-01-01 *Christ-faith and Abraham in Galatians 3-4* Johnathan F.

Harris, 2023-09-25 On what basis are Gentile Christians justified and full inheriting members of Abraham's family By being circumcised and keeping the Torah Paul answers by reinterpreting the Abraham narrative in light of the Christ event as a story of two siblings True Abrahamic children are those whose Spirit wrought life arises as God promised Abraham from the event of Christ faith Like Isaac they receive the life giving power of the Spirit that is tethered to God's promise and the event of eschatological faith By contrast those who like Ishmael are related to Abraham only by means of the flesh are slaves and not heirs Origins and Method--Towards a New Understanding of Judaism and Christianity Bradley H. McLean, 1993-09-01

This collection of essays is presented in honour of John C Hurd on the occasion of his retirement as Professor of New Testament at Trinity College Toronto and in recognition of a distinguished career in the fields of Pauline studies and computing in the humanities Given Professor Hurd's interest in Christian origins and methodology it is appropriate that the contributors to this volume deal with the origin and development of various aspects of Judaism and Christianity In particular they highlight how a greater attentiveness to method has resulted in a reshaping of our understanding of Christianity or Judaism The volume is divided into three parts New Understandings of Paul New Understandings of the New Testament and New Understandings of the Relationship between Judaism and Christianity Contributors include Walter Aufrecht Karl Donfried Robert Grant John Kloppenborg Gerd Ludemann and Wayne McCready **The Rights Fight** Jay Lucas, 2011-10-28

America is the most rights conscious society in history It seems as though every social and political issue of the day is ultimately described in terms of rights When it comes to understanding rights in America there are two competing worldviews Christianity and secularism The Rights Fight presents a defense of the Christian view which says that universal human rights depend upon God Even more importantly The Rights Fight explains how America's passion for rights offers Christians a wonderful opportunity for the proclamation of the Gospel of Jesus Christ Backgrounds of Early Christianity

Metaphor II, 1990-01-01 Metaphor though not now the scholarly mania it once was remains a topic of great interest in many disciplines albeit with interesting shifts in emphasis Warren Shibles *Metaphor An Annotated Bibliography and History* Bloomington Ind 1971 recorded the initial interest Then *Metaphor A Bibliography of Post 1970 Publications* published by John Benjamins continued the record through the mania years up to 1985 when writings proliferated as metaphor was seen

to be a fundamental category in human thought and language Five years later there is a need for a report on the newest thinking and tendencies in the field This need is fulfilled by Metaphor II which offers a comprehensive view of information which would otherwise remain scattered throughout a numbing plethora of resources including many sometimes hard to find publications from Eastern Europe Metaphor II systematically collects references of books articles and papers published between 1985 and May 1990 and includes for completeness corrections and additions to the earlier bibliographies Abstracts are given for many of the titles while four indices disciplines semantic fields metaphor theory and names multiply the number of access points to the information

Yarbrough, 2009-01-01 Mark Yarbrough assesses the question of whether traditional preformed material contributes to the message and understanding of Paul s first letter to Timothy The issue is addressed in three sections Part one evaluates previous works interacting with traditional

material in the New Testament Through a critique of historically proposed criteria Yarbrough identifies eight criteria as the primary tools by which to discern units of preformed material In the second part of the book Yarbrough evaluates nineteen passages in 1 Timothy according to the criteria previously determined From this base he embraces twelve of the nineteen passages as preformed material These passages are subsequently examined in depth according to the author's distinct methodology Part three demonstrates four functions of the preformed traditions in 1 Timothy Firstly that they may be seen as strengthening the literary cohesion of the letter Secondly that the traditional units afford the author rhetorical leverage which may be best identified as the provision of authority the establishment of an instant rapport with the primary audience and the assistance conferred in addressing this implied audience Thirdly they present theological directives that confront the character and belief of the false teachers Finally Yarbrough asserts that the preformed traditions exist as a combatant against counter mission doctrine In conclusion this study displays that the traditional material which may be discerned within the letter contributes significantly to the overall message and understanding of 1 Timothy

Perspectives on Eternal Security Kirk R. MacGregor,Kevaughn Mattis,2009-05-07 Eternal security or personal assurance of final salvation constitutes the single most important matter of practical theology in the Christian tradition For the past twenty centuries no other doctrine has exerted such a direct impact on the lives of lay Christians

driving their daily actions guiding their permanent choices and shaping their psychology From the New Testament period onward a diversity of views on biblical interpretation anthropology and divine sovereignty have produced numerous models of eternal security However due to the early modern fracturing of Protestant thought along Reformed and Arminian lines today most evangelicals equate eternal security with Calvin s perseverance of the saints In an ecumenical vein this collection of essays aims to remedy the knowledge gap by bringing a breadth of biblical historical and philosophical perspectives to bear on the question of eternal security These essays comprise the first print anthology from the online theological journal Testamentum Imperium an international forum founded and edited by Kevaghnn Mattis featuring scores of first rate articles from Christian thinkers worldwide on the topic of eternal security This book therefore analyzes Calvin s model of perseverance alongside views on eternal security ranging historically from Clement of Rome to contemporary developments in philosophical theology and process theology Furthermore this book explores and strengthens the biblical roots of eternal security through an illuminating host of thematic studies on whole books and exegetical studies on particular passages Hence this volume will profit all who are interested in the scriptural foundations and historical outworkings of eternal security
