and intellectual concerns The contributors are students of Paul Dresch an anthropologist known for his incisive work on Yemeni tribalism and customary law As they expand upon his ideas and insights these essays ask questions that have long preoccupied anthropologists such as how do place point of view and style combine to create viable bodies of knowledge how is scholarship shaped by the historical context in which it is located and why have duration and form become so problematic in the study of Middle Eastern societies Special attention is given to understanding local terms contested knowledge claims what remains unseen and unsaid in social life and to cultural patterns and practices that persist over long stretches of time seeming to predate and outlast events Ranging from Morocco to India these essays offer critical but sensitive approaches to cultural difference and the distinctiveness of the anthropological project in the Middle East

Mark Twain among the Indians and Other Indigenous Peoples Kerry Driscoll, 2019-09-17 Mark Twain among the Indians and Other Indigenous Peoples is the first book length study of the writer s evolving views regarding the aboriginal inhabitants of North America and the Southern Hemisphere and his deeply conflicted representations of them in fiction newspaper sketches and speeches Using a wide range of archival materials including previously unexamined marginalia in books from Clemens s personal library Driscoll charts the development of the writer s ethnocentric attitudes about Indians and savagery in relation to the various geographic and social milieus of communities he inhabited at key periods in his life from antebellum Hannibal Missouri and the Sierra Nevada mining camps of the 1860s to the progressive urban enclave of Hartford s Nook Farm The book also examines the impact of Clemens s 1895-96 world lecture tour when he traveled to Australia and New Zealand and learned firsthand about the dispossession and mistreatment of native peoples under British colonial rule This groundbreaking work of cultural studies offers fresh readings of canonical texts such as *The Adventures of Tom Sawyer* *A Connecticut Yankee in King Arthur s Court* *Roughing It* and *Following the Equator* as well as a number of Twain s shorter works
