**Slovenia** John K. Cox, 2004-06 This book examines Slovenia's transition from a collection of provinces in the south of the Habsburg Empire to a republic within Yugoslavia to an independent state It also analyses political and economic developments since 1991

Nationalism and Yugoslavia Pieter Troch, 2015-08-18 Created after World War I Yugoslavia was a combination of ethnically religiously and linguistically diverse but connected South Slav peoples Slovenes Croats and Serbs but also Bosnian Muslims Macedonians and Montenegrins in addition to non Slav minorities The Great Powers and the country's intellectual and political elites believed that a coherent identity could be

formed in which the different South Slav groups in the state could identify with a single Balkan Yugoslav identity Pieter Troch draws on previously unpublished sources from the domain of education to show how the state's nationalities policy initially allowed for a flexible and inclusive Yugoslav nationhood and how that system was slowly replaced with a more domineering and rigid top down nationalism during the dictatorship of King Alexander I who banned political parties and coded a strongly politicised Yugoslav national identity As Yugoslav society became increasingly split between the pro Yugoslav central regime and anti Yugoslav opposition the seeds were sown for the failure of the Yugoslav idea Nationalism and Yugoslavia provides a valuable new insight into the complexities of pre war Yugoslavia The Routledge Handbook of Endangered and Minority Languages Weixiao Wei,James Schnell,2025-02-20 The Routledge Handbook of Endangered and Minority Languages addresses the urgent need for comprehensive language documentation and a deeper understanding of language identity emphasizing the preservation of endangered languages This book argues that safeguarding linguistic diversity enriches global cultural heritage and knowledge By meticulously documenting minority languages we not only preserve words and grammar but also the unique cultural narratives they carry The book also introduces new language learning paradigms that recognize the complexities of multilingual societies advocating for educational systems that embrace the diverse linguistic backgrounds of students These approaches aim to create more inclusive and effective learning environments by valuing multilingualism Exploring the fluid nature of language identity the book examines how sociopolitical contexts and technology influence it calling for policies that respect linguistic rights and promote social cohesion It presents case studies from diverse regions including the Pacific Nordic countries Cornwall Pakistan the UAE and more offering practical strategies for language preservation and revitalization Groundbreaking insights into the use of digital tools social media and AI in language preservation along with the challenges and successes of various revitalization efforts make this book a valuable resource for researchers educators and policymakers committed to fostering linguistic diversity and equity worldwide **Lonely Planet Slovenia** Lonely Planet,Carolyn Bain,Steve Fallon,2016-05-01 Lonely Planet The world's leading travel guide publisher Lonely Planet Slovenia is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Stroll the leafy streets of Ljubljana dive into the great outdoors at Lake Bled or sip some of the world's best Merlot in Vipava all with your trusted travel companion Get to the heart of Slovenia and begin your journey now Inside Lonely Planet Slovenia Travel Guide Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation phone numbers websites transit tips prices Honest reviews for all budgets eating sleeping sight seeing going out shopping hidden gems that most guidebooks miss Cultural insights give you a richer more rewarding travel experience history art literature cinema music architecture politics sport cuisine wine customs Over 30 maps Covers Ljubljana Skofja Loka Lake Bled Bohinj Kranjska Gora Triglav National Park Soca Valley Vipava Valley
