Ties that Bind James Bickerton, Patrick J. Smith, 1999 Viewed from afar electoral politics in Canada may seem a strange amalgam of predictability and surprise stability and volatility At the close of the twentieth century the party in power is the same one that governed at the beginning of the century and for an inordinate amount of time in between Yet the contemporary party system seems to bear little relation to that which characterized either turn of the century or mid century Canadian politics In fact several dramatic upheavals have taken place in the relationship between parties and voters Elections clarify for parties and voters the current character of their relations Partially obscured vaguely calibrated or hidden perils in the voter party relationship will often rise to the surface during election periods and the ties that bind diverse communities of voters to particular parties are tested Clearly the relationship between Canadian voters and their political

parties has seldom been an easy one especially at election time However to describe it as unstable or volatile would be misleading There have always been strong currents of continuity and stability in voter party relations in Canada that are deeply rooted in regional political cultures and party histories in enduring ties between ethnocultural or linguistic groupings and particular parties and in the economic and class cleavages that influence left right ideological divisions *Ties That Bind* looks at the socio economic ethnolinguistic and demographic factors in party support the enduring quality of these social bases the importance of geography in structuring variations in the voter party relationship and electoral change as a function of the strategic decisions of the parties and their leaders and the voter response these decisions evoke *Handbook of the Arts in Qualitative Research* J. *The Politics of Educational Reform in Alberta* Alison Taylor, 2001-01-01 A case study of educational restructuring in Alberta during the Klein revolution the period of dramatic political and economic change introduced by Premier Ralph Klein's Conservative government of the 1990s *Driving Lessons* J. Peter Rothe, 2002-09-20 With the exception of modern warfare no other human activity has destroyed as many lives as driving a motor vehicle Traffic crashes kill and injure thousands of Canadians every year at an incalculable financial and emotional cost to society but rather than rush to stem this tide of human carnage policy makers seem to accept the ghastly toll as the price we pay for mobility *Driving Lessons* takes a fresh

look at the complexities of the road transportation system in depth going far beyond the symptomatic linear reductionist approach It challenges current traffic safety paradigms that simply blame the driver or target villains and scapegoats like impaired or high risk drivers It takes issue with road transportation system management that sometimes puts mobility ahead of the safety of road users As one researcher notes human beings will make mistakes and accordingly the road transportation system must be designed so that people s mistakes do not have disastrous consequences The Cowboy Says I Do Sinclair Jayne,2021-08-05 He needs her to say I do When professional rodeo cowboy Beck Ballantyne returns home to Marietta Montana nothing goes as planned His granddad flanked by his three determined daughters announces his plan to sell his legacy ranch after the rodeo Hoping he ll reconsider Beck and his two cousins launch the Rodeo Bride Game Beck initially has the advantage as he has a long time girlfriend except she s just called it quits Ashni Singh has loved Beck since high school but she s done living out of a suitcase on the rodeo tour She s ready to put down roots and build her own career Learning she s unexpectedly expecting makes her even more determined to make a new life So when Beck dutifully proposes she does what any self respecting career oriented educated woman at the end of her patience would do She says no The Rodeo Bride Game may have started as a fun challenge but Beck has never been more serious about winning Ash s heart and her hand **The Price of a Bargain** Gordon Laird,2010-10-19 A brilliant investigation into the true cost of our bargain economy and the end of consumerism as we know it Ours is the age of discount we want more cheaper better But the result is low wages urban blight environmental damage labour abuses a cookie cutter model of progress and now an international economic crisis With an eye for documentary storytelling and investigative detail Gordon Laird traces the bargain from its humble dollar store origins to its place as global juggernaut From Alberta s tar sands to China s factories from Las Vegas to the Arctic Circle a single question emerges how will we survive the bargain *Writing and Reading Across the Disciplines* Laurence Behrens,2007 *Writing and Reading Across the Disciplines* is targeted at the composition and developmental writing market at the college or university level This text prepares university and college students to write essays and to become familiar with reading academic and popular readings across a variety of disciplines **The Canadian Forum** ,1998 **Quill & Quire** ,1998 Seeing Red Bailey Hannah,2025-04-29 A small town sweetheart finds herself unexpectedly pregnant after a one night stand binding her to a local cowboy who s had a crush on her for years in this spicy romance from the author of *Alive and Wells* and *Change of Hart* Cassidy Bowman has strict rules to uphold her good girl reputation She doesn t date the Wells Ranch locals and she definitely doesn t sleep with men she isn t dating But after a run in with her ex boyfriend and a few too many drinks she s ready to buck those rules and allow herself one night of recklessness Local cowboy Chase Red Thompson has never met a rule he didn t love breaking With a long time crush on Cassidy he s more than willing to accept her offer of a one night stand and her one condition He must agree to never speak of it again That is until two pink lines render Cassidy s entire rule book null and void Cassidy isn t looking for a relationship with the rough and tumble

cowboy and Red doesn't need anyone to tell him he's not good enough for the sweetheart of Wells Canyon. So the two make another agreement: they'll be friends and co-parents, nothing more. But as their carefully constructed boundaries begin to blur, Cassidy might just realize that some rules are worth breaking. Don't miss any of Bailey Hannah's steamy Wells Ranch series.

**ALIVE AND WELLS SEEING RED CHANGE OF HEART**      **The Return of the Trojan Horse** Trevor Harrison, 2005. A Right-wing populist in an oil-rich province, Ralph Klein has been a one-man wrecking crew dismantling Alberta's public sector and remaking the province into a freewheeling capitalist paradise. This book re-examines Klein's Alberta after a decade of deficit-slashing tax-cutting conservatism. First elected in 1993 on a platform of common-sense revolution, a decade later Ralph Klein's Conservative party remains in power but the gloss is off its revolution. Deficits and debt have been eliminated but new problems and new issues have arisen, such as energy deregulation and water shortages. Efforts to export the revolution to remake Canada in Alberta's image have stalled with the defeat of the Harris Conservatives in Ontario and the collapse of the Reform and Alliance parties federally. Meanwhile, at the worldwide level, neo-liberal globalization, all the rage in the early 90s, is now in retreat, replaced by war threats of terrorism and growing economic instability. *The Return of the Trojan Horse* examines the long-term lessons of the Klein revolution and suggests where Alberta and Canada may be headed in the next decade. An original compilation of critical essays on Alberta's policies, written by some of Alberta's and Canada's best authors who come from a wide spectrum of viewpoints and backgrounds, all blending insight with journalistic flair. Peel away the careful packaging of the Klein government's record and what have you got? This book tells the story. Facts, clear prose, and the courage to tell it straight make it essential reading. Canadian Forum. Trevor Harrison is currently an associate professor at the University of Lethbridge and research director for the Parkland Institute, an Alberta-based think tank dedicated to examining public policy issues. He is the author of *Of Passionate Intensity: Right-Wing Populism and the Reform Party of Canada* and *Requiem for a Lightweight: Stockwell Day and Image Politics*.
