The Research Magnificent Herbert George Wells, 1915 The story of William Porphyry Benham is the story of a man who was led into adventure by an idea It was an idea that took possession of his imagination quite early in life it grew with him and changed with him it interwove at last completely with his being Goodreads **Maxwell's Demon** Steven Hall, 2021-04-06 The son of a famous writer is caught in a cat and mouse game with his late father's protégé in this heady postmodern thriller Publishers Weekly Thomas Quinn is having a hard time A failed novelist he's stuck writing short stories and audio scripts for other people's characters His wife Imogen is working on a remote island halfway around the world and talking to her over the webcam isn't the same The bills are piling up the dirty dishes are stacking in the sink and the whole world seems to be hurtling towards entropic collapse Then he gets a voicemail from his father who has been dead for seven years Thomas's relationship with Stanley Quinn a world famous writer and erstwhile absent father was always shaky not least because Stanley always seemed to prefer his enigmatic assistant and protégé Andrew Black to his own son Yet after Black published his first book *Cupid's Engine* which went on to sell over a million copies he disappeared completely Now strange things are happening to Thomas and he can't help but wonder if Black is tugging at the seams of his world behind the scenes Absurdly brilliant wildly entertaining and utterly mind bending *Maxwell's Demon* triumphantly excavates the ways we construct meaning in a world where chaotic collapse looms closer every day Praise for *Maxwell's Demon* Named a Most Anticipated Book by the Guardian A wonderfully imaginative splendidly baroque novel that is a combination of the baffling teasing and tantalizing Part fantasy part mystery it is altogether delightful and filled with surprises in a word exceptional No make that two words the second is fantastic Booklist starred review A phantasmagoric novel with shades of Stephen King's *The Dark Half* There's really nothing like this book long contemplations of philosophy personality religion and history are all woven into something of a mystery in which no one is truly reliable With influences that recall *Fight Club* and *Motherless Brooklyn* Hall manages to put a whole world on the page that shifts and changes as weirdly and wildly as the ones in the novel's fictional books The modern novel's version of a M. Bius strip written with verve and a vast appreciation for the power of language Kirkus Reviews A postmodern literary thriller about a difficult second novel Anyone who has a taste for postmodern hijinks fans of Thomas Pynchon or Mark Z. Danielewski's *House of Leaves* will be drawn to the menace and profusion the game like brilliance and black hilarity of *Maxwell's Demon* Australian *Contract marriage: His Sweet Wife and Cutest Twin Babies* Bai HuaHua, 2020-06-13 After her parents had both died in an accident she had to sign an agreement with him to save her family's company It was stated in the agreement that he would save her company on the condition that she would allow him to do whatever he wanted with her Just because she resembled the woman he had once loved he had toyed with her a million times and tortured her in every possible way He humiliated her in front of others and then abandoned her She had loved him but had suffered It wasn't until the agreement expires that she finally ran away from him

By the time she left she was already pregnant A few years later she brought her adorable child back and became strong and cold blooded When they met again he doted on her so much

### **The Research Magnificent H. G. Wells,2013-11-27**

This is the annotated edition including the rare biographical essay by Edwin E Slosson called H G Wells A Major Prophet Of His Time Several of Mr Wells s books have been studies of society from the general standpoint but in some of his later stories such as The New Machiavelli and The Passionate Friends he has been more interested in thinking of what the individual life could do in and for society His book The Research Magnificent is the story of a man who being unlimited by minor matters set himself to find some theory of his work and duty in the world a plan of the world s future that should give a rule to his life A world state sustained by an aristocracy of noble men that idea or theory is not new to a reader of Wells but here will be found someone who tried to work out some practical way in the matter Not a novel one may readily say just as White the literary man who was called to look over Benham s papers said when the magnificent search had come to an end It is not unlike those autobiographical novels that as Mr Wells once wrote were popular throughout the third and fourth decades of the twentieth century It is the work of a novelist of course a story by a man who feels things keenly a man who is sensitive appreciative humorous whimsical But it is chiefly a matter of record valuable for the results it has in it
