**Fairies at Number 55** Tessa-Kate Curtis,2022-09-30 Nobody in the world will admit to having seen a fairy, but it doesn't mean they are not there. Fairies are kind, and they always, always do the sweetest, gentlest things for you and for all that you love, but rarely will they be visible. But you just never know. Fairy mum Starlight is beautiful. Sheer, gossamer wings with a duck egg blue hue; her tinkling voice always sounds like tiny cymbals chinking as she laughs, forever checking her fairy family, imploring them to keep kindness and gentleness to the fore of every endeavour. From their garden at Number 55, the family of fairies, Starlight and Nimbus, their fairy children Mimosa, Chicory, and Chirrup, Lichen and Moss weave in and out of the lives of various woodland and water creatures, giants, and their pets, all along the leafy green and cool bridleway. Calling along the way upon such firm friends as doves Darcy and Dill, and magpies Mick and Maggie, Spinner, the friendly spider, and Skeet, the generous dog, the fairies cheerfully carry out rescues, avert danger, make gifts, and even bring love to two lonely foxes.

*Khatyn* Ales Adamovych,2012-08-28 It is a quiet place with lush green grass covering the location of the former Belarusian village. A village that was burned to the ground with its inhabitants in 1943. Anyone familiar with this small corner of Eastern Europe is chilled to the bone by the events that transpired there, and the village's name, Khatyn, has now come to embody a horrific national tragedy. But tragedy is not all this name embodies, for it also reminds people of the tremendous courage of those who fought for the life and freedom of their country. It is the story of this village and the events that surround its annihilation that are the focus of Ales Adamovich's novel *Khatyn*, which was written on the basis of historical documents. The author himself, a World War II veteran and partisan, depicts the reality of the partisan resistance to fascism in Belarus. The main character is a man named Florian, who in his memories returns to events that transpired some thirty years ago when, as a teenager, he joined a partisan unit and met his future wife, Glasha. He witnesses how the villagers of Khatyn are burned alive as reprisal for supporting the partisan movement. The monstrous cruelty of the death squad and its commanders manifested itself in the act of punishing the entire community for the deeds of those who had helped the partisans. The village, composed mostly of the elderly and mothers with children, was locked inside a barn. After being covered with dry hay, the barn

was set ablaze with the families inside Over half a century later Adamovich s story about the courage of ordinary people has not lost its immediacy Today the world is still marred by war crimes committed against communities of noncombatant Khatyn is a testament to an event that must not be forgotten and to a reality that must not be repeated
