accepted as real boys Yet even as boys begin to reap the social benefits of aligning with norms of masculine behavior they pay a psychological and relational price for hiding parts of their authentic selves Through documenting boys perceptions of the obstacles they face and the pressures they feel to conform and showing that their compliance with norms of masculine behavior is neither automatic nor inevitable this accessible and engaging book provides insight into ways in which adults can foster boys healthy resistance and help them to access a broader range of options for expressing themselves *Dude in Distress* Betsy Haynes,1995 But he s just been dumped by another girl in the nastiest way and now he s sworn off dating for good With advice from Boy Talk Crystal hopes to cure Evan s broken heart but is she being steered in the wrong direction
