I Really Want to Change...So, Help Me God James MacDonald, 2000-01-19 I REALLY want to change Do you Are you truly serious about allowing the power of God to transform your life If you are then prepare yourself for an incredible life changing experience Change is difficult but it s made even harder without practical guidance on how to do it You will find that guidance in I Really Want to Change So Help Me God James MacDonald is serious about the business of change according to God s Word While many tell us that we should change and be more like Christ MacDonald actually teaches us how to do it I Really Want to Change So Help Me God is split into three sections as the model for approaching change The Preparation for Change choosing the right method and partnering with God to select the areas in need of change in your life The Process of Change exploring the biblical method of saying no to sinful patterns and yes to the things God desires for you The Power to Change explaining how to experience the power of God personally and continuously This is a book about a different you There are no warm fuzzies within these pages Rather MacDonald is a direct to the point pastor with a heart for seeing lives completely transformed by the truth of the Gospel If you re serious about changing your life I Really Want to Change So Help Me God is just what you need Tom & Jerry

Russell, 2006 **God Is a Friend of Mine** Dave Noland, 2003-07 **You've Been Made for so Much More** Rhonda Jennifer, 2019-10-30 Have the tragedies of your life kept you stuck Have you been conditioned to devalue yourself Do you feel unworthy of love and happiness You have come to your valuable space that will accelerate you into the wholeness you have desired There is nothing too complicated for God to reshape into a win You deserve victories in your life God loves you Jesus loves you far beyond mere words The pain the struggles and the heartbreak you have endured God will guide you to set you free from every oppression and repeated cycle You ve Been Made For So Much More is the first of the No More Crumbs Christian non fiction empowerment series Providing practical tools for healing and encouragement that is intended to provide hope for

others to accept their blessings by taking the initial steps of faith to progress toward their valuable space There are so many people suffering from victimization so take the courageous step forward to no longer settle for crumbs Matthew 15 25 28 New International Version NIV Do not look at the time lost look forward to what is ahead and push forward to be the best versions of ourselves The woman came and knelt before him Lord help me He replied It is not right to take the children s bread and toss it to the dogs Yes it is Lord she said Even the dogs eat the crumbs that fall from their master s table Then He Jesus said to her Woman you have great faith Your request is granted Scripture reference Matthew 15 26 28 Life can be a type of bully telling you who and what you are This bully is Satan the devil the evil one who is pulling the puppet strings on every strategic and direct attack Satan purposefully designs to distract you from living in your fullness and strategizes on how to hinder you from having the abundant blessings you are meant to have Settling for crumbs started for me with incidents out of my control and then the conflicts grew to a conditioned acceptance of believing I was not worth anything good I had allowed the strategic and direct attacks that came against me to devalue me I allowed these evils to convince me to accept only crumbs in all areas of my life I never believed good was ever afforded for me It was only when I began to allow Jesus to work in my heart and mind that I was able to heal and progress forward God used the evil the rejection and the bad that shaped my negative perception and God turned the destruction into a positive and a higher level of thinking and living God enabled me to learn how to value myself to go beyond the crumbs and walk in the fullness of life through faith My purpose is to share my story and provide you with teachings for how to have your abundant life now No more crumbs for me and no more crumbs for you either There is nothing too complicated for God to reshape into a win So I speak Jesus words over you Be of good cheer Great is your faith How is your faith considered great Your faith is being activated by you taking that next courageous step in God God honors faith above all else and God hears your cry He will fight your battles and lead you to your destined blessings You ve been made for so much more and the devaluing of accepting crumbs ends today God will fight for you every step of the way
