George Gammack, 2015-08-13 We all know what church is Likewise we are provided with a supply of set notions for God Christ and the Bible which make up the stock in trade equipment for both believer and non-believer This study asks

fundamental questions about all these from a relational perspective attempting to illumine the faith quest by way of clues from the common realities of human interaction In this it is the appropriate provisions of relationships rather than the assent to doctrines that forms the spiritual basis of community Such a theology of relatedness is urgently needed We must come out of our creedal closets to be part of a new diaspora This demands a secret discipline of servant relationship at work in that no man s land where there is space for all manner of secular saints and doctrinal devils to discover the possibilities of their togetherness the secret service church in odd places and often strange company **Leave Love with Me** William Lawton,2023-09-19 Desire for beauty is at the heart of human existence Some find this meaning out of their religious or spiritual perspective Some find it at the edge of their traditions And others find it outside any recognizable tradition This book speaks especially to the second and third groups of people Desire releases us to explore difference and to honor alternatives Desire shapes our lives in unique ways It centers our energies for personal and relational change where difference can be debated and variety permitted We might transcend circumstances that limit us Desire is more than meaningfulness it is captivation of mind and spirit to life s possibility In my discovery desire is an abandonment to beauty

**LBO 6 - The Human Soul** David Butterworth,2023-12-03 The sixth book of the series explores the human soul This is where the mind the heart and the ID exists And this place actually exists as a singularity that is connected to every cell in the body And the soul can get sick affecting how we think feel and react to everyone around us If you ever looked at the night sky and wondered if this is all there is I have an answer to this question No It definitely is not Inside of you is a whole universe as large as the one you are looking at and it requires exploration You have a soul You are alive and your life determines how you view the world So get ready for an adventure one of self discovery A soul is a singularity that divides up into smaller branches and then into twigs connected to every cell of your body All of these individual sections are connected but they have different attributes or responsibilities that s connected to the whole How do they know this From the insides the division is from within the branches Here is purpose and understanding awareness and order that s mentioned in the first book of the series The absolute requirement of the mental universe and it exists within the soul of every living creature on earth both animal and plant based Now the soul runs the body When the soul is separated from the body then the body quickly returns to the original dust Your soul continues to exist however as a unique singularity space In truth you are your own universe The question you have to ask yourself is this Do you want to be alone with yourself Remember you are a part of life on earth If you spent your life focus on external factors like money success pleasures and ignored the inner connections to beauty and truths then the death experience is going to be horrific So our light is the Zoe life which is actually God s life But if we identify with our psyche only our personality our intellect or even if we identify with our body only our strengths or our beauty then we miss the gifts God has for us We are in darkness in other words the spiritual light is very dim if it hasn t gone out completely There are many people who have lost the twinkle in their eye the zest for life They routinely go through the

duties of the day without any creativity spontaneity or happiness These are the walking dead Our society is full of them Read about the Personality Disorders Thought Disorder Mood Disorders Depression Anxiety Disorders that can affect your very soul Learn about Jesus He is our Zoe Life Learn about His purpose and how He can give you life Learn about how we should live as given in the book of Galatians chapter 5 verses 1 25 Allow the Lord to touch you He is the healing anointing the medicine needed for you to improve
