

SOVIET MILITARY INTELLIGENCE IN WAR

DAVID GLANTZ

Soviet Military Intelligence In War

H Kauffman

Soviet Military Intelligence In War:

Soviet Military Intelligence in War Colonel David M. Glantz, 2013-05-13 This text is the second of three volumes written by Colonel Glantz on the contribution of intelligence and deception operations to the Soviet victory over Nazi Germany. It examines the area where intelligence and operations overlap, the nature of coordination between the two, and the support provided by intelligence to operational planning and execution or the absence of such support. This is not a study of intelligence work as such, but of how intelligence can improve the chances of success on the battlefield by facilitating the more effective and economical use of troops.

Soviet Military Intelligence in War Colonel David M. Glantz, 2013-05-13 This text is the second of three volumes written by Colonel Glantz on the contribution of intelligence and deception operations to the Soviet victory over Nazi Germany. It examines the area where intelligence and operations overlap, the nature of coordination between the two, and the support provided by intelligence to operational planning and execution or the absence of such support. This is not a study of intelligence work as such, but of how intelligence can improve the chances of success on the battlefield by facilitating the more effective and economical use of troops.

Inside Soviet Military Intelligence Viktor Suvorov, 1984 Good. No Highlights. No Markup. All pages are intact. Slight Shelfwear. May have the corners slightly dented. May have slight color changes. Slightly damaged spine.

The Role of Intelligence in Soviet Military Strategy in World War II David M. Glantz, 1990-01-01

Russian Military Intelligence in the War with Japan, 1904-05 Evgeny Sergeev, 2007-04-23 Examining Russian military intelligence in the war with Japan of 1904-05, this book based on newly accessible documents from the tsarist era military, naval, and diplomatic archives gives an overview of the origins, structure, and performance of Russian military intelligence in the Far East at the turn of the twentieth century, investigating developments in strategic and tactical military espionage as well as combat renaissance. It provides a comprehensive reappraisal of the role of military intelligence in the years immediately preceding the First World War by comparing the Russian military secret services to those of the other great powers including Britain, Germany, France, and Japan.

Military Intelligence, 1992 Secret Soldiers of the Revolution Raymond W. Leonard, 1999-12-30 Leonard provides the first comprehensive history of the Red Army's Intelligence Directorate, known today as the GRU, from its inception during the Russian Civil War up to the rise of Nazi Germany in 1933. During these early years of Soviet Army intelligence, the GRU actively promoted Communism internationally through insurrection and partisan warfare. It became deeply involved in espionage in Western Europe, the United States, and Asia. Making extensive use of primary sources, many of which have only recently become available, Leonard completes a story that has until now been often inaccurate or simply confused.
