Russia and the GCC Diana Galeeva, 2022-12-29 In recent decades Russia has played an increasingly active role in the Middle East as states within the region continue to diversify their relations with major external powers Yet the role of specific Russian regions especially those that share an Islamic identity with the GCC has been overlooked In this book Diana Galeeva examines the relations between the Gulf States and Russia from the Soviet era to the present day Using the Republic of Tatarstan one of Russia's Muslim polities as a case study Galeeva demonstrates the emergence of relations between modern Tatarstan and the GCC States evolving from concerns with economic survival to a rising paradiplomacy reliant on shared Islamic identities Having conducted fieldwork in the Muslim Republics of Tatarstan Bashkortostan and Dagestan the book includes interviews with high ranking political figures heads of religious organisations

and academics Moving beyond solely economic and geopolitical considerations the research in this book sheds light on the increasingly important role that culture and shared Islamic identity play in paradiplomacy efforts *Soviet Policy Towards Iran and the Gulf* Shahram Chubin,1980 *The End of Pax Britannica in the Persian Gulf, 1968-1971* Brandon Friedman,2020-11-17 This book examines how the rulers in the Persian Gulf responded to the British announcement of military withdrawal from the Gulf in 1968 ending 150 years of military supremacy in the region The British system in the Gulf was accepted for more than a century not merely because the British were the dominant military power in the region The balance of power mattered but so did the framework within which the British exercised their power The search for a new political framework which began when the British announced withdrawal was not simply a matter of which ruler would amass enough military power to fill the void left by the British it was also a matter of the Gulf rulers chiefly Iran Saudi Arabia and the ruling shaykhs of the lower Gulf coming to a shared understanding of when and how the exercise of power would be viewed as legitimate This book explores what shaped the rulers ideas and actions in the region as the British system came to an end providing a much needed political history of the region in the lead up to the independence of the UAE Bahrain and Qatar in 1971 *Domestic Determinants of Soviet Foreign Policy towards South Asia and the Middle East* Hafeez Malik,1990-06-18 A collective endeavour of scholars highlighting some of the significant domestic determinants of Soviet foreign policy There is a general consensus that policy makers are influenced by Islam the Soviet Central Asian nationalities oil and geography *Russia and Eastern Europe, 1789-1985* Raymond Pearson,1989 *Soviet Policies in the Middle East* Galia Golan,1990-11-22 A comprehensive study of Soviet policies in the Middle East
