Soviet Book Publishing Policy Gregory Walker, 2008-06-26 This book first published in 1978 provides a broad and comprehensive view of the Soviet book publishing industry based on extensive use of Soviet sources and on visits and interviews conducted in the Soviet Union Book publishing is examined both as a manufacturing and distributing industry enmeshed in the machinery of central planning and as a disseminator of ideas influenced and controlled by the organs of government the Communist Party and the censorship A policy approach is used to study the operations and management of the vast Soviet publishing industry examining the complex pressures which affect its administration and the impact those pressures have on books published in the USSR The powers of the Communist Party government ministries and the censorship over the publishing houses are analysed The perspective of the book is wide enough to take in questions about the place of the author in the publishing process and the role played by printing and book selling Attention is paid to the special problems in publishing different types of books fiction textbooks scientific works mass political literature and so on **The Crystallization of Soviet Publishing Policy 1917-1919** Christina Jaremko, 1983 *International Book Publishing: An Encyclopedia* Philip G. Altbach, Edith S. Hoshino, 2015-05-08 First Published in 1996 This encyclopedia is unique in several ways As the first international reference source on publishing it is a pioneering venture Our aim is to provide comprehensive discussion and analysis of key subjects relating to books and publishing worldwide The sixty four essays included here feature not only factual and statistical information about the topic but also analysis and evaluation of those facts and figures The chapters are significantly more comprehensive than those typically found in an encyclopedia **Book Diplomacy in the Cultural Cold War**, 2025-06-23 Broadly speaking book diplomacy covers the use of books to achieve certain objectives related to the foreign policy interests of a given country usually involving state private partnerships of varying degrees In this volume scholars from different disciplines examine in detail how books functioned as tools of soft power and cultural diplomacy during the cultural Cold War This study also introduces a 10 point typology to examine the many forms and practices of Cold War book diplomacy and the diversity of objectives and outcomes that they involved Looking beyond the Cold War this volume stresses the continuing importance of books as a distinct form of material culture used to convey information around the world Contributors are Tahoor Ali Hanna Blum Deborah Cohn Cile Cottenet Alexander Erokhin Esmaeil Haddadian Moghaddam Musa Igrek Julia Lin Thompson R sa Magn sd ttir Christos Mais Hafiz Abid Masood Mila Milani Birgitte Beck Pristed Giles Scott Smith Ilaria Sicari and Steven W Witt [The Red Pencil](#) Marianna Tax Choldin, Maurice Friedberg, 2024-11-26 The Red Pencil 1989 examines the many ways in which Soviet censorship interfered in the creative process in the words of those who experienced it first hand It helps to identify the ways in which Soviet artistic and intellectual production was shaped by the practices of Soviet censorship The book goes beyond the simple recounting of banned books and taboo subjects to examine the more subtle issue of how Soviet writers attempted to strike a

balance between accommodating the demands of government censorship while retaining for themselves a modicum of unfettered expression and intellectual integrity Most of the contributing authors were active as writers critics editors film and theatre specialists or scientists prior to their departure from the Soviet Union in the 1970s *Publishing Policy in Soviet Russia, 1917-1919* Christina I. Jaremkov, 1985 *The Economic Organization of War Communism 1918-1921* Silvana Malle, 2002-08-08 An assessment of the first Soviet economic system comparing programmes with outcomes and theory with practice Collective Farms which Work? Nigel Swain, 1985-06-13 Analyzes the lessons learned from thirty years of actually existing socialism within the collective farm system of Hungary Provides the first thorough sociological analysis in English of this example of successful collectivization through a detailed study of its internal social structure and relevant decision making processes *The Bolsheviks and the Red Army 1918-1921* Francesco Benvenuti, 1988-10-28 The emergence of the military agency of the Soviet state is a crucial but neglected aspect of inter war Soviet history and in this pioneering study Francesco Benvenuti provides a detailed analysis of the politics as opposed to the operational activities of the Red Army during the Civil War Several historians have suggested that the roots of Stalinism may be found in the Bolshevik experience during the Civil War and Benvenuti shows that the military opposition inside the party was much stronger than conventionally supposed Trotsky's subsequent political weakness owed much to his ruthless pursuit of military goals not always in direct harmony with party interests as did his technocratic attempts to extend the role of specialist advisers at the expense of party officials **Ideology in a Socialist State** Ray Taras, 1984-12-13 Analyzes the changes in ideology of Poland's rule from the October events of 1956 to the lifting of martial law in 1983 to suggest that ideological change has represented the regime's chief means of responding to a postwar cycle of crises
