Lauren Gardner

Soviet Succession Struggles Kremlinology And The Russian Question From Lenin:

Soviet Succession Struggles Anthony D'Agostino, 2024-04-12 *Soviet Succession Struggles* 1988 is a key study of the history nature and development of Soviet politics and politicians from the earliest days of Soviet Russia up to the rise of Gorbachev It examines the power struggles between opposing factions within the Soviet leadership and identifies two main political standpoints that were always vying for ultimate control of the Communist State *The Crisis of Russian Democracy* Richard Sakwa, 2010-12-16 The view that Russia has taken a decisive shift towards authoritarianism may be premature but there is no doubt that its democracy is in crisis In this original and dynamic analysis of the fundamental processes shaping contemporary Russian politics Richard Sakwa applies a new model based on the concept of Russia as a dual state Russia s constitutional state is challenged by an administrative regime that subverts the rule of law and genuine electoral competitiveness This has created a situation of permanent stalemate the country is unable to move towards genuine pluralist democracy but equally its shift towards full scale authoritarianism is inhibited Sakwa argues that the dual state could be transcended either by strengthening the democratic state or by the consolidation of the arbitrary power of the administrative system The future of the country remains open

China's Post-jiang Leadership Succession: Problems And Perspectives John Wong, Yongnian Zheng, 2002-10-25 The lack of institutionalization around China s leadership succession was brought into focus again in the run up to the 16th Congress of the Chinese Communist Party and the widespread speculation on the final leadership line up The essays in this volume take a more analytical approach This book first looks at the political structures of leadership transition in China and secondly seeks to understand the real and potential problems that China s younger fourth generation leaders will have to grapple with as they take over the reigns of power *Soviet Politics* Richard Sakwa, 2012-11-12 *Soviet Politics in Perspective* is a new edition of Richard Sakwa's successful textbook *Soviet Politics* an introduction Thoroughly revised and updated it builds on the previous editions comprehensive and accessible exploration of the Soviet system from its rise in 1919 to its collapse in 1991 The book is divided into five parts which focus on key aspects of Soviet politics They are historical perspectives beginning with the Tsarist regime on the eve of Revolution the rise and development of Stalinism through to the decline of the regime under Brezhnev and his successors and Gorbachev s attempts to revive the system institutions of Government such as the Communist Party security apparatus the military the justice system local government and participation theoretical approaches to Soviet politics including class and gender politics the role of ideology and the shift from dissent to pluralism key policy areas the command economy and reform nationality politics and foreign and defence policy an evaluation of Soviet rule and reasons for its collapse Providing key texts and bibliographies this book offers the complete history and politics of the Soviet period in a single volume It will be indispensable to students of Soviet and post Soviet politics as well as the interested general reader *Re-Viewing the Cold War* Patrick M. Morgan, Keith Nelson, 2000-02-28 A cooperative effort by a number of historians and political scientists this

essay collection focuses on the important connection between domestic affairs and foreign relations during the Cold War. The case studies treat phases of both the Soviet and American experiences and involve contributions by two Russian scholars, three Americans, a German, a Swede, and an Israeli. This collection is particularly timely and significant because of the surprising way the Cold War ended, making clear that domestic developments can overthrow even the most potent foreign policies and undermine longstanding assumptions about the primacy of international factors. A provocative essay collection, this will be of interest to diplomatic historians and Soviet Affairs specialists, scholars and students.

When the Soviet Union Entered World Politics Jon Jacobson, 2023-11-15. The dissolution of the Soviet Union has aroused much interest in the USSR's role in world politics during its 74 year history and in how the international relations of the twentieth century were shaped by the Soviet Union. Jon Jacobson examines Soviet foreign relations during the period from the end of the Civil War to the beginning of the first Five Year Plan, focusing on the problems confronting the Bolsheviks as they sought to promote national security and economic development. He demonstrates the central importance of foreign relations to the political imagination of Soviet leaders both in their plans for industrialization and in the struggle for supremacy among Lenin's successors. Jacobson adopts a post-Cold War interpretative stance, incorporating glasnost and perestroika era revelations. He also considers Soviet relations with both Europe and Asia from a global perspective, integrating the two modes of early Soviet foreign relations: revolution and diplomacy into a coherent discussion. Most significantly, he synthesizes the wealth of information that became available to scholars since the 1960s. The result is a stimulating work of international history that interfaces with the sophisticated existing body of scholarship on early Soviet history. The dissolution of the Soviet Union has aroused much interest in the USSR's role in world politics during its 74 year history and in how the international relations of the twentieth century were shaped by the Soviet Union. Jon Jacobson examines Soviet foreign relations for

Bridling Dictators Graeme Gill, 2021-11-20. Galtieri, Lukashenko, and Putin are some of the dictators whose untrammelled personal power has been seen as typical of the dog-eat-dog nature of leadership in authoritarian political systems. This book provides an innovative argument that rather than being characterised by permanent insecurity, fear, and arbitrariness, the leadership of dictatorships is actually governed by a series of rules. The rules are identified and their operation is shown in a range of different types of authoritarian regime. The operation of the rules is explained in ten different countries across five different regime types: the Soviet Union and China as communist single party regimes; Argentina, Brazil, and Chile as military regimes; electoral authoritarian Malaysia and Mexico; personalist dictatorships in Belarus and Russia; and the Gulf monarchies. Through close analysis of the way leadership functions in these different countries, the book shows how the rules have worked in different institutional settings. It also shows how the power distribution in authoritarian oligarchies is related to the rules. The book transforms our understanding of how authoritarian systems work.

Purity and Compromise in the Soviet Party-State Daniel Stotland, 2017-11-15. This work offers new ways of conceptualizing the decision-making paradigm of the Soviet party state.

that was defined by the persistent shortage of qualified manpower that afflicted the Russian elite. The traditional Russian problems of under administration combined with the unique features of the Soviet political system resulted in a dichotomy between practical and ideological demands. The WWII era examined in this book provides a microcosm of pressures facing the Kremlin and illustrates the cyclical nature of policy formation forced on it by the paradoxes of the system. As the party's responsibilities expanded into specialized economic and military areas, political experts increasingly depended on the specialized professionals. These trends grew increased drastically during the war. An unexpected consequence of the party's expansion into economic or military professions was the discovery that cooptation worked both ways and many party members became managers rather than ideological overseers. Throughout the existential crisis of the system, the war and its aftermath, the party would find itself in a fundamental conflict over its identity, challenged over its role both vis-à-vis the state and its own priorities. After an abortive attempt to reverse the wartime trends, a new paradigm was articulated by the party during the last five years of Stalin's reign. This resulted in the emergence of a new elite consensus which envisioned the party as integral and invasive economic actor. This shift in the party's identity was the price of maintaining centralized political power and came at the expense of the focus on ideological purity. In the long term, however, the diminished role of ideology robbed the party of its core value system and steadily eroded its legitimizing and self-energizing power. Over time, the new consensus would undermine the very foundations of the party-state construct. Yet if the USSR was to survive as a modern industrialized state, the accommodation with the technocrats was necessary. The contradiction between ideological and pragmatic aims was inherent to the system and demanded an eventual choice between the long-term health of the state and that of the party.

Two Decades of Re-Emerging Russia: Challenges and Prospects Mr Sanjay Deshpande, 2015-04-15

Russia has been re-emerging as a major political and economic power during the last decade. The leadership of Russia claims that the objectives of transition from the former one-party socialist system to a plural multiparty democratic system and centralised planning to market economy are largely achieved. Russia is politically stable and has demonstrated how new political institutions, multiparty system, are functioning under three presidents. In the initial years after the disintegration of the Soviet Union, the Russian economy passed through different phases such as crisis, boom, and recovery. Russia has largely succeeded in managing its political and economic relations with Near Abroad, which have witnessed considerable complexities over the last two decades. Russia has demonstrated that its bilateral ties with India in the political and defence sectors have been consistently cordial and close. However, trade and economic relations need to be strengthened. Notwithstanding its major achievements, Russia has been facing several problems both in its domestic front and in its foreign relations. Some of the major problems on the domestic front are over-centralisation of power, nexus between state authorities, oligarchs, and the bureaucracy, growing menace of corruption, surging political reactions by political parties, and some former powerful leaders on various political issues, growing social discontent, issues between different ethnic groups, widening

economic disparities among various sections of society and regions On the external front Russia has conflicts of interest with some former Soviet republics such as Georgia Moldova Ukraine and the Baltic states Russia s relations with the US and NATO have been highly critical on political and security related issues There is a need for an objective and critical evaluation of how Russia has managed its domestic and foreign affairs after the collapse of the Soviet Union What were the successes and failures of Russia in its policies and performance with regard to the social political and economic developments in the country This book is an attempt to assess those developments Politics, Society, And Nationality Inside Gorbachev's Russia
Seweryn Bialer, 2019-06-04 The East West Forum is a New York based research and policy analysis organization sponsored by the Samuel Bronfman Foundation Its goal is to bring together experts and policy leaders from differing perspectives and generations to discuss changing patterns of East West relations It attempts to formulate long term analyses and recommendations In p

Soviet Succession Struggles Kremlinology And The Russian Question From Lenin Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Soviet Succession Struggles Kremlinology And The Russian Question From Lenin PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books

can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Soviet Succession Struggles Kremlinology And The Russian Question From Lenin PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Soviet Succession Struggles Kremlinology And The Russian Question From Lenin free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Soviet Succession Struggles Kremlinology And The Russian Question From Lenin Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.

What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Soviet Succession Struggles Kremlinology And The Russian Question From Lenin is one of the best book in our library for free trial. We provide copy of Soviet Succession Struggles Kremlinology And The Russian Question From Lenin in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Soviet Succession Struggles Kremlinology And The Russian Question From Lenin. Where to download Soviet Succession Struggles Kremlinology And The Russian Question From Lenin online for free? Are you looking for Soviet Succession Struggles Kremlinology And The Russian Question From Lenin PDF? This is definitely going to save you time and cash in something you should think about.
