America in Decline M. E. Sharpe,2012 **What's Wrong with China** Rodney Gilbert,1926 *Liberace* Darden Asbury Pyron,2013-04-26 More people watched his nationally syndicated television show between 1953 and 1955 than followed I Love Lucy Even a decade after his death the attendance records he set at Madison Square Garden the Hollywood Bowl and Radio City Music Hall still stand Arguably the most popular entertainer of the twentieth century this very public figure nonetheless kept more than a few secrets Darden Asbury Pyron author of the acclaimed and bestselling Southern Daughter The Life of Margaret Mitchell leads us through the life of America s foremost showman with his fresh provocative and definitive portrait of Liberace an American boy Liberace s career follows the trajectory of the classic American dream Born in the Midwest to Polish Italian immigrant parents he was a child prodigy who by the age of twenty had performed with the Chicago Symphony Orchestra Abandoning the concert stage for the lucrative and glittery world of nightclubs celebrities and television Liberace became America s most popular entertainer While wildly successful and good natured outwardly

Liberace Pyron reveals was a complicated man whose political social and religious conservatism existed side by side with a lifetime of secretive homosexuality Even so his swishy persona belied an inner life of ferocious aggression and ambition Pyron relates this private man to his public persona and places this remarkable life in the rapidly changing cultural landscape of twentieth century America Pyron presents Liberace s life as a metaphor for both good and ill of American culture with its shopping malls and insatiable hunger for celebrity In this fascinating biography Pyron complicates and celebrates our image of the man for whom the streets were paved with gold lam An entertaining and rewarding biography of the pianist and entertainer whose fans adoration was equaled only by his critics loathing Pyron persuasively argues that Liberace thoroughly and rigorously trained was a genuine musician as well as a brilliant showman A n immensely entertaining story that should be fascinating and pleasurable to anyone with an interest in American popular culture Kirkus Reviews This is a wonderful book what biography ought to be and so seldom is Kathryn Hughes Daily Telegraph A bsorbing and insightful Pyron s interests are far ranging and illuminating from the influence of a Roman Catholic sensibility on Liberace and gay culture to the aesthetics of television and the social importance of self improvement books in the 1950s Finally he achieves what many readers might consider impossible a persuasive case for Liberace s life and times as the embodiment of an important cultural moment Publishers Weekly Liberace coming on top of his amazing life of Margaret Mitchell Southern Daughter puts Darden Pyron in the very first rank of American biographers His books are as exciting as the lives of his subjects Tom Wolfe Fascinating thoughtful exhaustive and well written this book will serve as the standard biography of a complex icon of American popular culture Library Journal Powerful Prayers for Your Son Rob
