Space Doctor:

The Adventures of Damion Koehkh, MD: Space Doctor Pushman Clark, 2004 During the six months of March through September 1962 when an unlikely series entitled The adventures of Damion Koehkh MD space doctor was broadcast in fifteen minute episodes every Saturday night at nine o'clock from a network of independently owned television stations around the world the medium of television had its own bright and shining moment It was during this time of artistic Renaissance that at a small television station outside of San Francisco California a young playwright named Ensign Clark was introduced by a mutual friend to another young man by the name of Kim Jameson a television hobbyist and current owner of the station Introduction Dr. Space Robinson J Ward, 2009-09-01 Written by veteran aerospace journalist Bob Ward who spent years investigating his subject this biography presents a revealing but even handed portrait of the father of modern rocketry As he chronicles Werner von Braun's life Ward explodes many myths and misconceptions about the controversial genius who was a hero to some a villain to others The picture of von Braun that emerges is of a brilliant scientist with limitless curiosity and a drive to achieve his goals at almost any price from developing the world's first ballistic missile used against the Allies in World War II to helping launch the first U.S. satellite that hurled Americans into space and the Saturn V super booster that powered them to the moon Along the way readers are introduced to the human side of this charismatic visionary who brought the United States into the Space Age **Astronautics and Space Exploration** United States.
