Dear *Space Station Directory and Program Guide* User:

Get off the presses! Here is your special appendix to the *Space Station Directory and Program Guide, 1989 Edition*.

This appendix contains an in-depth analysis of NASA's fiscal year 1990 budget by Melinda Gipsen, editor of *Space Business News* and key contributor to the *Space Station Directory and Program Guide*. Her report addresses the changes in station funding, the effect of commercial efforts on the station's development and the potential fate of the space station under a new administration.

This extra appendix also includes the text of NASA's "Research and Development, Fiscal Year 1990 Estimates, Budget Summary." This comprehensive document outlines NASA's objectives for the space station, the status of these objectives, budget estimates for the 1990's, and much more.

This valuable update presents all the most current information about the space station funding and is free only to purchasers of the 1989 edition of the *Space Station Directory and Program Guide*.

Add this new information to the extensive data in the *Space Station Directory and Program Guide* for the most complete picture of the space station available!

Sincerely,

Jane Glass

Editor, *Space Station Directory and Program Guide, 1989 Edition*
