Since it is now their new home they call it the Homestead They are aware even though the Earthlings are not that due to the large amount of energy released by the nuclear explosions the Earth has begun to slow down Which means the pure beings will also sooner or later have to migrate to the Homestead This they would have to do either on the terms of the mutants or it would be war He joins them eagerly as he has always been against the enforced exodus of the mutants and places his experience at their disposal Both sides then head for the climatic and now famous Battle of the Shepherd Moons one of the most decisive battles in the history of the Earth Note The Homestead the authors maiden venture reached the Quarter Finals in the Writers Digest Annual Writing Contest Beverley Hills CA **Spinegrinder** Clive Davies,2015-03-06 First came video and more recently high definition home entertainment through to the internet with its streaming videos and not strictly legal peer to peer capabilities With so many sources available today s fan of horror and exploitation movies isn t necessarily educated on paths well trodden Universal classics 1950s monster movies Hammer as once they were They may not even be born and bred on DAWN OF THE DEAD In fact anyone with a bit of technical savvy quickly becoming second nature for the born clicking generation may be viewing MYSTICS IN BALI and S S EXPERIMENT CAMP long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento In this world H G Lewis so called godfather of gore carries the same stripes as Alfred Hitchcock master of suspense SPINEGRINDER is one man s ambitious exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema of a sort that most critics won t care to write about One opinion 8 000 reviews or thereabouts An Analytical Guide to Television's Battlestar Galactica John Kenneth Muir,2015-09-15 When the space drama Battlestar Galactica debuted on ABC in 1978 it was expected to be the most popular new program of the year Instead it was attacked as a Star Wars rip off and canceled after a mere 17 stories The author acknowledges the show was full of dramatic cliches and scientific inaccuracies but despite these shortcomings Battlestar Galactica was a dramatically resonant series full of unique and individual characters such as Commander Adama Lorne Greene and ace warrior Captain Apollo Richard Hatch The author contends that Battlestar Galactica was a memorable attempt to make science fiction accessible to mainstream television audiences The brilliant work of artist John Dykstra brought a new world of special effects to network television Battlestar Galactica also skillfully exploited legends and names from both the Bible and ancient mythology which added a layer of depth and maturity to the weekly drama
