

The book cover features a detailed illustration of space debris floating in a dark, starry space. In the lower-left corner, a portion of the Earth's blue and white horizon is visible. Various pieces of debris are scattered throughout the scene, including a large satellite with multiple solar panels, a cylindrical object, a conical structure, and several smaller fragments and probes. The overall color palette is dominated by dark blues, greys, and the bright colors of the debris and Earth's surface.
