Spanish Armada Of 1588 Historiography And Annotated Bibliography:

The Spanish Armada of 1588 Eugene L. Rasor, 1993 This is the most comprehensive bibliography of the Spanish Armada of 1588 in recent years and the only up to date reference which provides a critical assessment of important source materials and an annotated bibliography of all genres of literature in Western languages Eugene Rasor describes 1114 titles and is the first to assess the vast collection of writings that have accompanied the recent 400th anniversary of the Armada campaign Cross references from the narrative to bibliographical entries and a full index make the guide easy for researchers at all levels to use in their study of naval and European history This authoritative reference covers one of the most important campaigns in naval history The first part of the book consists of a narrative assessing the literature on the Spanish Armada in terms of background history leaders preparations and tactics and the consequences of the conflict Source materials include all published books monographs official histories government publications dissertations bibliographies pertinent journals and periodicals and related articles collections of archival and research sources and their locations other significant holdings published and broadcasted interviews fiction drama and art English Spanish French Dutch and other Western languages are covered in a comprehensive manner and both English and Spanish perspectives are presented carefully The book also offers a short chronology The index cites authors and subjects both

The Spanish Armada Colin Martin, Geoffrey Parker, 1999 The Spanish Armada is a radical interpretation of why Philip II's Armada of 1588 failed so disastrously This new edition is based on a fresh examination of archival sources across Europe combined with the archaeological investigation of some of its wrecked ships off the coasts of Scotland and Ireland The new edition has been extensively revised to incorporate ten further years of research by the authors and others and is likely to remain the standard account for years to come

The Spanish Armada of 1588 Eugene L. chronology The index cites authors and subjects both **English/British Naval History to 1815** Eugene L. Rasor, 2004-10-30 The English British have always been known as the sailor race with hearts of oak the Royal Navy as the Senior Service and First Line of Defense It facilitated the motto The sun never set on the British Empire The Royal Navy has exerted a powerful influence on Great Britain its Empire Europe and ultimately the world This superior annotated bibliography supplies entries that explore the influence of the English British Navy through its history This survey will provide a major reference guide for students and scholars at all levels It incorporates evaluative qualitative and critical analysis processes the essence of historical scholarship Each one of the 4 124 annotated entries is evaluated assessed analyzed integrated and incorporated into the historiographical scholarship **Power, Knowledge, and Expertise in Elizabethan England** Eric H. Ash, 2004 Publisher Description **The Dardanelles Campaign, 1915** Fred R. van Hartesveldt, 1997-11-20 The passage of time has not slowed the production of books and articles about World War I This volume provides a guide to the historiography and bibliography of the Dardanelles Campaign including the Gallipoli invasion It focuses on military history but also provides information on political histories that give significant attention to the handling of the Dardanelles Campaign The opening section of the book provides background information about the campaign discusses the major sources of information and lays out the major interpretative disputes A comprehensive annotated bibliography follows This book nicely complements the two earlier volumes on World War I battles The Battle of Jutland by Eugene Rasor and The Battles of the Somme by Fred R van Hartesveldt The Seaforth Bibliography Eugene Rasor, 2009-04-17 This remarkable work is a comprehensive historiographical and bibliographical survey of the most important scholarly and printed materials about the naval and maritime history of England and Great Britain from the earliest times to 1815 More than 4 000 popular standard and official histories important articles in journals and periodicals anthologies conference symposium and seminar papers guides documents and doctoral theses are covered so that the emphasis is the broadest possible But the work is far far more than a listing The works are all evaluated assessed and analysed and then integrated into an historical narrative that makes the book a hugely useful reference work for student scholar and enthusiast alike It is divided into twenty one chapters which cover resource centres significant naval writers pre eminent and general histories the chronological periods from Julius Caesar through the Vikings Tudors and Stuarts to Nelson and Bligh major naval personalities warships piracy strategy and tactics exploration discovery and navigation archaeology and even naval fiction Quite simply no one with an interest and enthusiasm for naval history can afford to be without this book at their side **John Nichols's The Progresses and Public Processions of Queen Elizabeth: Volume III** John Nichols, 2014 The third volume in this annotated collection of texts relating to the progresses of Queen Elizabeth I around England includes accounts of dramatic performances orations and poems and a wealth of supplementary material dating from 1579 to 1595 *War and the State in Early Modern Europe* Jan Glete, 2002 The 16th and 17th centuries saw many

ambitious European rulers develop permanent armies and navies Jan Glete examines this military change as a central part of the political social and economic transformation of early modern Europe *The War in North Africa, 1940-1943* Colin F. Baxter, 1996-03-30 Few of the major campaigns of World War II aroused as much controversy as the War in North Africa 1940 1943 Figures such as Rommel Montgomery and Eisenhower would become world famous because of the fighting in North Africa This book opens with seven historiographical essays that evaluate and critically assess the major contributions to the literature on the War in North Africa It then includes an alphabetically arranged bibliography of the 504 entries cited in the essays The material is easily accessible with cross references between the text and the bibliography and a full index The volume includes chapters on the Desert War 1940 42 the Axis Powers in North Africa Montgomery Alam Halfa and El Alamein TORCH the Landings in French North Africa and the Tunisian Campaign Full attention is given to questions and issues historians have raised on such controversies as the Auchinleck Montgomery dispute the debate over Operation TORCH and the Darlan affair Emphasis is on English language works but the most significant Italian German and French works are cited and assessed The book has been written for use in public college university and institutional libraries and to serve general readers and military historians
