Spanish Civil War In American European:

The Spanish Civil War in American and European Films Marjorie A. Valleau,1982 FDR and the Spanish Civil War Dominic Tierney,2007-07-02 Provides new understanding of Franklin Roosevelt s involvement in the Spanish Civil War claiming that he was activist and pro Loyalist **American Writers in Europe** F. Asya,2013-10-03 These essays explore the impartial critical outlook American writers acquired through their experiences in Europe since 1850 Collectively contributors reveal how the American writer s intuitive sense of freedom coupled with their feeling of liberation from European influences led to intellectual independence in the literary works they produced Foreign Relations of the United States, 1951: Europe ,1977 **Civil War in Europe, 1905-1949** Stanley G. Payne,2011-09-19 This is the first account in any language of the civil wars in Europe during the era of the world wars from 1905 to 1949 It treats the initial confrontations in the decade before World War I the confusing concept of European civil war the impact of the world wars the relation between revolution and civil war and all the individual cases of civil war with special attention to Russia and Spain The civil wars of this era are compared and contrasted with earlier internal conflicts with particular attention to the factors that made this era a time of unusually violent domestic contests as well as those that brought it to an end The major political ideological and social influences are all treated with a special focus on violence against civilians *The International Context of the Spanish Civil War* Gaynor Johnson,2009-03-26 This book which consists of essays by leading scholars in the field of twentieth century international history examines the wider context of one of the most bitter and bloody civil wars in European history the Spanish Civil War The chapters discuss all of the major debates that surround the ideological and political context of the war including the extent to which it could be regarded as a dress rehearsal for the Second World War The book also debates the nature of civil war in the twentieth century and as such will be of interest to military and international historians as well as to historians of the history of ideas *The European Community and the American Interest* United States. Congress. House. Special Study Mission to Europe,Benjamin S. Rosenthal,Donald MacKay Fraser,United States. Congress. House. Committee on Foreign Affairs,1972 The Americanization of Europe Alexander Stephan,2006 Using Germany as a case study of the impact of American culture throughout a period characterized by a totalitarian system two destructive wars ethnic cleansing and economic disaster this book explores the political and cultural parameters of Americanization and anti Americanism **American Firms in Europe** Hubert Bonin,Ferry de Goey,2009 The Americanization of Europe and the strategic initiatives of American firms abroad have been well studied The expansion of American firms in Europe however lacked a comprehensive study This book gathers the works of two dozen economic and business historians from across Europe preceded by Mira Wilkins comparative essay The collection addresses the timetable and pace of American direct investment in Europe the patterns followed in each country according to the specificities of each industry and service sector and the strategies followed by the different firms The studies go beyond the facts scrutinizing the

immaterial aspects of this business history especially European perceptions of American firms and the essential stakes of corporate images and identities The Europeanization of American firms is a key issue including social relations management commercial policies brand image connections and embeddedness The authors gauge the reaction of public authorities and lobbies industrialists and trade unions Graphs and tables provide data while overviews of ads published by American affiliates fuel analyses of consumer perception What Every American Should Know About Europe Melissa Rossi, 2006-11-28 With the creation of the European Union and the introduction of the Euro Europe has undergone a dizzying transformation recently so much so that even Europeans are scratching their heads Melissa Rossi brings US readers up to date on what has changed and what makes each country tick Which European nation most adores nuclear energy Which country's residents are by far the richest Which prominent leader was once a taxi driver Why are the typically calm Dutch getting twitchy What happened to Czechoslovakia With her trademark investigative flair and wry humor Rossi gives the inside scoop on every nation in the European Union with vital facts about local culture politics tourist attractions and recent events From Portugal to Poland What Every American Should Know About Europe is a no holds barred humorous and comprehensive guide for anyone interested in what our transatlantic cousins are up to these days
