Spheres of Intimacy Warren Lane Molton,1982 **Pilgrimage** ,1982 *The Routledge History of the Domestic Sphere in Europe* Joachim Eibach,Margareth Lanzinger,2020-12-29 This book addresses the multifaceted history of the domestic sphere in Europe from the Age of Reformation to the emergence of modern society By focusing on daily practice interaction and social relations it shows continuities and social change in European history from an interior perspective The Routledge History of the Domestic Sphere in Europe contains a variety of approaches from different regions that each pose a challenge to commonplace views such as the emergence of confessional cultures of private life and of separate spheres of men and women By analyzing a plethora of manifold sources including diaries court records paintings and domestic advice literature this volume provides an overview of the domestic sphere as a location of work and consumption conflict and cooperation emotions and intimacy and devotion and education The book sheds light on changing relations between spouses parents and children masters and servants or apprentices and humans and animals or plants thereby exceeding the notion of the modern nuclear family This volume will be of great use to upper level graduates postgraduates and experienced scholars interested in the history of family household social space gender emotions material culture work and private life in early modern and nineteenth century Europe **Sociality** Nicholas J. Long,Henrietta L. Moore,2013 The notion of sociality is now widely used within the social sciences and humanities However what is meant by the term varies radically and the contributors here through compelling and wide ranging essays identify the strengths and weaknesses of current definitions and their deployment in the social sciences By developing their own rigorous and innovative theory of human sociality they re set the framework of the debate and open up new possibilities for conceptualizing other forms of sociality such as that of animals or materials Cases from Asia Africa the Americas and Europe explore the new directions of human sociality illuminating how and why it is transformed when human beings engage with such major issues as economic downturn climate change new regimes of occupational and psychological therapy technological innovations in robotics and the creation of new online virtual environments This book is an invaluable resource not only for research and teaching but for anyone interested in the question of what makes us social **Business Communication: Concepts, Cases And Applications** Mukesh Chaturvedi,2004-09 Most Books On Business Communication Focus Mainly On What It Is Definition Nature Process Form Types And So On This Book With Cases And Applications Besides Concepts Shows For The First Time How Total Communication Skills Can Be Developed The Book Propounds That Business Communication Skill Is Not Just A Managerial Ability It Is Also An Extraordinary Trait Effective Business Communication Is Not Just Purpose Driven It Is Also A Complete Strategy Thus It Is Not A Speaker Or Writer Who Communicates It Is The Total Individual A Personality Presented In A Reader Friendly Style The Book Can Be Effectively Used By Students Faculty And Executives For Teaching Training And Self Development Equally Comfortably **The Private Sphere** Mats G. Hansson,2007-11-15 This book describes an emotional

territory which forms the individual's own sphere of action and experience. This develops in the course of evolution in pace with the individual's conditions of life brought about by challenges in the natural and social environment.

Fenwick on Civil Liberties & Human Rights Helen Fenwick, Richard Edwards, 2016-11-25 More than merely describing the evolution of human rights and civil liberties law, this classic textbook provides students with detailed and thought-provoking coverage of the most crucial developments in the field, clearly explaining the law in context and practice. Updated throughout for this new edition, *Fenwick on Civil Liberties and Human Rights* considers a number of recent major changes in the law, in particular proposals to replace the Human Rights Act with a British Bill of Rights and the Counter Terrorism and Security Act 2015, whilst also contextualising the impact of reforms on hate speech and contempt due to advances in new media. Comprehensive and authoritative, this textbook offers an essential resource for students on human rights or civil liberties courses, as well as a useful reference for students and scholars of UK Public Law.

Beyond Loving Amy C. Steinbugler, 2012-09-06 In this book Amy Steinbugler challenges the widespread assumption that interracial intimacy represents the ultimate erasure of racial differences. She finds that while interracial partners may be more racially progressive, they are not necessarily enlightened subjects who have managed to get beyond race. *Beyond Loving* adeptly examines how interracial couples experience race in their everyday lives and how they engage one another to address fundamental questions about the significance of race in contemporary life.

Scrolls of Love Peter S. Hawkins, Lesleigh Cushing Stahlberg, 2006 Respectful of traditional biblical scholarship, this collection of essays aims to move beyond it. It brings together two communities that have read their Bibles in isolation from one another in ignorance of the richness of the other's traditions.

Gender, Family and Sexuality: The Private Sphere in Italy, 1860-1945 P. Willson, 2004-06-30 This lively collection of essays presents a range of innovative research on the history of the private sphere in Liberal and Fascist Italy, with a particular focus on sexuality, gender and race, all aspects which have received scarce attention in much of the existing historiography. It includes articles on foundlings and their mothers, the role of midwives, changing attitudes to sexuality, adultery trials, the Fascist persecution of homosexuals, debates about divorce, and going beyond Italy to its empire, the treatment of mixed-race children and their mothers in Eritrea. Key themes of this collection include the contrasting attitudes of the Liberal and Fascist governments to the role of the state in the private sphere, the influence of the Church, and the impact of new scientific and medical approaches to maternity, sexuality and demography.

Fundamentals of Business Communication P. D. Chaturvedi, Mukesh Chaturvedi, 2012 Communication is the essence of management. To succeed in a professional corporate environment, it is imperative to be well-versed in the essential communication tools. These help one not only in developing interpersonal relations but also in maintaining effective business relations, which is necessary for personal as well as organizational growth. *Fundamentals of Business Communication* identifies outlines and elucidates the prominent concepts that undergraduate students should understand to prepare for and excel in their careers. Brimming with examples

exhibits and exercises this book will serve as suitable guide for students preparing to step in to competitive professional world **Between Care and Criminality** Helena Zeweri,2023-12-15 Between Care and Criminality examines Australian social welfare s encounter with migration and marriage in an era of intensified border control It offers an in depth ethnographic account of how social welfare practitioners carry out a migrant targeted social policy designed to prevent forced marriage in the aftermath of a 2013 law which criminalized the practice *Life-Study of Exodus* Witness Lee,1998-07

Transnational Citizenship Rainer Bauböck,1994-01-01 Regional integration mass migration and the development of transnational organizations are just some of the factors challenging the traditional definitions of citizenship In this important new book Rainer Bauböck argues that citizenship rights will have to extend beyond nationality and state territory if liberal democracies are to remain true to their own principles of inclusive membership and equal basic rights *Memos from Midlife* Franklin E. Zimring,2015-04-19 It s the most entertaining book I ve read this year Steve Chapman Columnist and Editorial Writer The Chicago Tribune There are no pretentious pronouncements about public policy or dry conclusions from social science in these pages because it is a report from what Frank Zimring calls my second career and everybody else s second career the hard work of becoming an adult in the modern world Why is a piranha swimming in your pool a better illustration of how people get over committed than a giant man eating shark Consult chapter 3 What should you say when your eight year old asks whether you would save him or his sister if the lifeboat only had room for one See chapter 5 Why are professors who hate to teach at their home campus positively lustful when invited to lecture somewhere else Chapter 11 explains When you finally succeed in giving up cigarettes how should you feel about those who still smoke See chapter 2 Why do so many of the people lined up to visit world famous landmarks look so unhappy to be there Chapter 20 reveals the secret Frank Zimring has gained renown as a penetrating thinker and a tireless scholar but *Memos from Midlife* reveals what his friends have always known He is also a charming and thought provoking companion with a devilish sense of humor Addressing a range of unconventional topics from the arrogance of nostalgia to Portnoy s real complaint he provides both illumination and fun as well as guidance on living wisely and well It s the most entertaining book I ve read this year Steve Chapman Columnist and Editorial Writer The Chicago Tribune A new collection of compelling and humorous essays in the *Journeys Memoirs Series* from Quid Pro Books *Universal (In the Realm of the Sensible)* Dorothea Olkowski,2007-03-02 The *Universal* In the realm of the sensible Beyond Continental Philosophy proposes a radical new philosophical system that moves from ontology to ethics Dorothea Olkowski develops the concept of an ontological unconscious a connection arising from our sensible relation to the world that conditions encounters with the environment and with others This fundamental ontology rethinks the space time relations opened by Irigaray s notion of the interval Bergson s recollection Merleau Ponty s idea of the flesh and Deleuze s plane of immanence Writing in an original style inspired by literature and the arts Olkowski locates a realm of the senses a field of vulnerability felt as pleasures and pains This presents an aesthetic sense of something

universal to all human kind as well as to the organic and inorganic world In addition to this proposal for a wider ontology the relation between traditional ontologies and politics is examined as a means of opening politics beyond a no exit or limit cycle Instead a multiplicity of self organized emergent perspectives emerges eliminating the need for the connections conjunctions and disjunctions of the Kantian paradigm at work in contemporary continental philosophy This is a timely controversial and important book that will contribute enormously to the study of Deleuze and Continental Philosophy **The Wiley Blackwell Companion to Practical Theology** Bonnie J. Miller-McLemore, 2014-01-07 Through a series of essays contributed by leading experts in the field The Wiley Blackwell Companion to Practical Theology presents an introduction to practical theology as a major area of Christian study and practice including an overview of its key developments themes methods and future directions The first comprehensive reference work to provide a survey description and analysis of practical theology as an area of study A range of leading scholars in the field provide original contributions on the major areas issues and figures in practical theology Reviews an extensive range of methods for studying theology in practice along with sub disciplines in theological education such as pastoral care and preaching Covers developments in the discipline in a range of global contexts and distinct Christian traditions Shows how practical theology is relevant to everyday life **The Ice Age Challenge** Rolf A. F. Witzsche, 2005-03-01 The Ice Age Challenge refers to the challenge that we face globally to create a new foundation for living when the coming Ice Age climate shuts down most of the world's agriculture possibly 100 to 150 years from now The novel is the first part of the second episode of the series The Lodging for the Rose an eight part science fantasy centered on universal love by Rolf A F Witzsche We truly are in a race against time the greatest race since the dawn of man racing to create the technologies economies finances politics and social cultures that enable us to shift agriculture into efficient indoor facilities in order to protect our food production in the coming Ice Age environment The Earth has been in an Ice Age for 1 8 million years interspersed by the occasional warm period like the present one that is ending in spite of global warming The necessary infrastructures for survival are technologically feasible but will we empower ourselves to create them That appears to be less certain It seems that we have been put in race without the skills for it But then don't we have the potential to be fast learners In the course of exploring the question the novel touches on the collapse of the Soviet Union the Aryan invasion in historic India the face of Islam the fascist holocaust depopulation global warming nuclear fusion power indoors agriculture and principles of marriage sex culture and science Principles of Institutional and Evolutionary Political Economy Phillip Anthony O'Hara, 2022-08-29 This is the very first book to explicitly both detail the core general principles of institutional and evolutionary political economy and also apply the principles to current world problems such as the coronavirus crisis climate change corruption AI Robotics policy governance money and financial instability terrorism AIDS HIV and the nurturance gap No other book has ever detailed explicitly such core principles and concepts nor ever applied them explicitly to numerous current major problems The core general principles and concepts in this book which are outlined and detailed include

historical specificity hegemony circular heterogeneous groups contradiction uncertainty innovation and policy as well as a Presidential address to the Association for Evolutionary Economics AFEE on corruption The structure of the book starts with two chapters on the principles of institutional and evolutionary political economy firstly their history and secondly a chapter on the contemporary nature of the principles and concepts This is followed by nine chapters applying some of the core principles to current world problems such as the coronacrisis climate change corruption AI robotics policy money financial instability terrorism HIV AIDS and the nurturance gap The book finishes with a conclusion a glossary of major terms and an index The author s principles are well established in the literature and this book provides a detailed exposition of them and their application
