the border of Afghanistan But not before a night on the town and a chance meeting with a girl who rocks his world When he finds out she is also going on the same mission as an Army doc he wonders if he can control his desire for her and if their passion is too dangerous for them to survive Book 4 A smooth sea never made a skillful sailor I chose to become a Marine but that choice came with sacrifices Instead of living a quiet life with the girl next door I m serving my country facing danger and keeping those who can t protect themselves safe Except now my high school sweetheart is back in my life and she s the one in danger When an international terrorist group kidnaps her will I lose her forever just when I ve found her again
