WHAT YOUR FAVOURITE AUTHORS ARE SAYING ABOUT THE SPIRAL I suspect this is one that I'll be thinking about for some time ALEX PAVESI author of EIGHT DETECTIVES A frenzied twisted fever dream of a book MIRANDA DICKINSON author of OUR STORY *the spiral consilience* oudeis, 2016-12-16 This chapbook starts by directly addressing humankind's connection to the vastness of outer space and sets forth the premise that death as a permanent state of being is of the same substance or soul as whatever exists outside of the Universe It then veers off on a tangent into stranger territory and talks of unnamed worlds without life yet possessed by some unliving sentient force whose spheres have drifted to the most distant regions of outer space or more properly into the nothingness that reigns illimitably outside of space where it has been speculated that no laws of nature can exist Gigantic otherworldly graves abound in rhyming descriptions of lifeless geographies Monuments catacombs and buildings all deserted and of unknown origin are lyrically narrated into existence deep beneath the surface of the Earth as well as on and under the surfaces of distant asteroids Alien cenotaphs resembling something Hugh Ferriss might have sketched from a fever dream are articulated through regular metered verse A sinister thread connecting all these massive structures with the aforementioned sentient force which we are told holds all life and death in its grip runs through the poems Hymns to the universe in all its barrenness are juxtaposed with landscapes of horror all elegantly unscrolled in lurid poetics that are made all the more disturbing by their intentional symmetry The final poem seems to be a negation of itself plus all of the other poems in the volume The book ends with several prose statements of a negative nature concerning the fate of humanity in

the Universe Odysseus in Homer's Odyssey plays upon his name Oude is Oude meaning no one no thing in order through nomenclatural disorder or rather division divergence to outwit and outwit the Cyclops a creature of singular vision and ultimately also of unbounded blindness Oude's in the spiral consilience sings a similar siren song and sets out on a similar voyage albeit one over the course of which the Ulyssean body in turn makes a rather meticulous U turn and turns out to be a Metic Metic itself the Metic Metic stripped Bare by her Bachelors Masters Doctors and Readers Time left no corpse but infinite space here in the first words of the spiral consilience the corpus the collated collection qua bound book corporealises out of an excised yet all the more exquisite corpse This excision is precisely an exacting and enacted kenosis an open negation that finds affirmation on the very next page and then onward on and on from siren song to siren song void vocalisation to vocalised void to the ever approaching parousia ousia beyond the vale of the valley of death revival regression recision and reclamation The recitations herein the ir excisions recisions and incantatory reclamations are those of a rabid iconovore and each of its devoured figures or forms informs in its deformation and in its devouring the various epitaphs or rather chronotaphs there where time left no corpse but infinite space of an incomplete whole of an ongoing hole complex full of cross cutting tunnels as vast as The Great Wall of China there where they are digging The Pit of Babel qua Garden of Forking Paths pace Borges and Kafka Oude's in the spiral consilience engraves in each chronotaph epitaph each poetic page the gist and the widening planet wide gyre of the grave digger but a grave digger set adrift on the seas digging into the tides of today with the oar of Odysseus that oar of yore which turns out in yet another Ulyssean U turn to be a Golden Rod or Rod of Divination singing in its Sea Slicing qua Dowsing of the Deep the siren song of Worl dly Icons and Other Conjurations Dan Mellamphy If God is the tangential point between zero and infinity the spiral consilience is a reverberant long playing black work of telepathic theology Doktor Faustroll author of An Ephemeral Exegesis on Crystalline Ebrasions My reading of the poems in this book has only confirmed once again that I can no longer respond in any meaningful or robust way to written literature At this point in my life I can react only to watching or listening to performances of writing something that no doubt sounds strange and even pathological to others Nevertheless it is this is how it is for me Even my old favorites no longer provoke the interest and emotion they once did I deeply regret this condition of limitation I might describe this condition as one of literary anhedonia likening it to the better known experience of musical anhedonia from which I also suffer and which I realize is not comprehensible to the majority of individuals Thus I must apologize for my inability to offer a blurb to what may very well be a fine book Thomas Ligotti
