*Spirit Sleuths* Gail Jarrow, 2024-09-10 The latest from acclaimed author Gail Jarrow reveals how magicians including Harry Houdini and his team of investigators exposed fake mediums who exploited the vulnerable and gullible in the early twentieth century. After millions of people died during World War I and from the 1918 influenza pandemic the popularity of Spiritualism soared. Desperate to communicate with their dead loved ones the bereaved fell prey to extortion by fraudulent mediums and fortune tellers. But magician Harry Houdini wasn't fooled. He recognized the scammers' methods as no more than conjurer's tricks. Angered by the way people were exploited Houdini set out to expose the ghost hoaxes. In his stage show he revealed the fraudsters' techniques and he used a team of undercover investigators to collect proof of some deceptions. His head secret agent was a young New York private detective and disguise expert Rose Mackenberg, a woman who continued her ghost busting career for decades long after Houdini's death in 1926. Ideal for young readers and adults who are drawn to the worlds of psychics and magicians this riveting book uncovers a little-known chapter in American history and details the ways people were and still are deceived by mediums and fortune tellers.

Conjuring the Spirit World George H. Schwartz, Tedi Asher, Christopher Jones, Lan Morgan, Tony Oursler, Jennifer Lemmer Posey, Mark Schwartz, 2024-09-03 Posters, photography, and objects from the height of Spiritualism and the history of magic gain renewed power when seen through today's lens. The human desire to connect with the dead since the mid-19th century gave rise to a fascination with the supernatural and the magical. Mediums and magicians from Harry Houdini, Margery the Medium, Howard Thurston, and the Fox Sisters offered communication with the departed at séances and magic shows, two interrelated forms of popular culture that relied heavily on illusions and stagecraft. This is the first illustrated volume to gather the art and objects that made medium and magician performances iconic during the Spiritualism movement and beyond, a time when people actively debated and wondered: can spirits return? An international selection of paintings, photographs, posters, stage apparatuses, film publications, and other objects reveal how audiences were entranced and mystified by these experiential performances, captivating willing believers and garnering skeptics as they navigated the intersecting realms of science and
