Spirit Child Healing The Wound Of Abortion:

Spirit Child Isabella M. Kirton,1998 This is the story of Isabella whose decision at 42 to abort her fourth child was to have long term repercussions which changed her life on all levels She found that her intuitive and spiritual senses developed to help her and led by the appearance of the Spirit Child she set off on a profound inner journey This is both a personal story and a self help book for women seeking to come to terms with the loss of an unborn child *The Ethics of Abortion*

Christopher Kaczor,2014-12-05 Appealing to reason rather than religious belief this book is the most comprehensive case against the choice of abortion yet published This Second Edition of *The Ethics of Abortion* critically evaluates all the major grounds for denying fetal personhood including the views of those who defend not only abortion but also post birth abortion It also provides several non theological justifications for the conclusion that all human beings including those in utero should be respected as persons This book also critiques the view that abortion is not wrong even if the human fetus is a person *The Ethics of Abortion* examines hard cases for those who are prolife such as abortion in cases of rape or in order to save the mother s life as well as hard cases for defenders of abortion such as sex selection abortion and the rationale for being personally opposed but publically supportive of abortion It concludes with a discussion of whether artificial wombs might end the abortion debate Answering the arguments of defenders of abortion this book provides reasoned justification for the view that all intentional abortions are ethically wrong and that doctors and nurses who object to abortion should not be forced to act against their consciences Updates and Revisions to the Second Edition include A response to Alberto Giubilini s and Francesca Minerva s now famous 2012 article After Birth Abortion in the Journal of Medical Ethics Responses to new defenses of Judith Jarvis Thomson s violinist argument The addition of a new chapter on gradualist views of fetal moral worth including Jeff McMahan s Time Relative Interest Account The addition of a new chapter on the conscience protection for health care workers who are opposed to abortion Responses to many critiques of the first edition including those made by Donald Marquis David DeGrazia and William E May *Forthcoming Books* Rose Army,1998 **Christian Anthropology** ,
