Spirit Filled Life New Testament Commentary Series Romans:

Shades of Grace Marc D. Simon Th.D.,2021-06-07 Romans is largely regarded as the theological standard among New Testament writings as well as the clearest and most systematic presentation of Christian doctrine in all the Bible Its influence on figures such as Augustine Luther and Calvin have been well documented with Calvin referring to it as the singular key to understanding all of Scripture In Shades of Grace the first in his New Kingdom series pastor and author Marc Simon offers both an original translation of Paul s letter to the Romans as well as a fresh commentary on the letter itself His spirited approach to the Pauline corpus conveys both the depth and simplicity of Paul s writing and combines the author s careful scholarship and spiritual insight with lucid commentary background information and explanatory notes on key terms used by Paul in his letters The introduction to the commentary highlights the authorship occasion purpose and contents of Romans as well as Paul s unique understanding of Israel s God as the Father Lord and Spirit of creation The author follows the introduction with a verse by verse exposition of the text which is at once accessible to scholars pastors and students alike

The Pentecostal Commentary Billy M. Prewitt,2022-01-16 A Trinitarian Exposition of the New Testament This series is designed with the serious Trinitarian Pentecostal student in mind With a foundational commitment to the inspiration and infallibility of Scripture each passage is explained in terms of its theological and practical significance In addition The distinctive Pentecostal pneumatology is sustained Key doctrines are identified and expounded Important cross references within Scripture are noted Historical connections in Church history are mentioned Erroneous teachings are scrutinized Comments are based on the King James Version The KJV text is printed in the body of the commentary With a modern style of readability this commentary series is appropriate for anyone seeking to grow and understand the truths of Scripture and is especially helpful to pastors as well as college and seminary students Author s Foreward As a Pentecostal student attending a Pentecostal Bible college I went to the college bookstore to purchase my textbooks without knowing that the commentaries on my book list were written by non Pentecostals Even though my classes required commentaries from various publishers none of the publishers were Pentecostal I often wondered why a Pentecostal Bible school would use non Pentecostal commentaries for class What I did not know at the time was that there really was no such thing as a Pentecostal commentary written for and by Pentecostals Since then there have been a few Pentecostals who have written on individual books but there are significant portions of even the New Testament that have had little or no Pentecostal voice As a result serious Pentecostal students have no other choice but to learn at the feet of non Pentecostals I am not opposed to non Pentecostal commentaries Indeed I have gained considerable insights from reading such but there are two points of theology that I must consciously filter out every time I read them The most important concern to a Pentecostal is that the pneumatology the study of the Holy Spirit presented by non Pentecostals is very different than that of a Pentecostal The second point is the emphasis on Calvinistic doctrines especially eternal security with which most Pentecostals do not agree In addition there are other

theological differences and substantially different hermeneutical principals that can dramatically alter the interpretation of texts in non Pentecostal ways In my studies I have always desired to have a commentary that was thoroughly Pentecostal but I never imagined that I would write one From one Pentecostal to another I hope you will find this series to be a breath of fresh Spirit anointed air Series Preface While it is hoped that Bible students from other theological traditions will study and benefit from its contents it is first and foremost Pentecostal As such this commentary does not include surveys of other viewpoints unless such inclusion is necessary for clarity of argument In addition with all due respect to our Charismatic brethren it may be said that this series is not meant to be inclusive of Charismatic interpretations related to pneumatology The Pentecostal Commentary series intentionally excludes views of Scripture that do not hold to its inspiration inerrancy and infallibility and also excludes modern liberal arguments of authorship date purpose and so on Traditional viewpoints on these subjects will be discussed without confusing the issue In addition 19th century criticism methods and concerns over source documents will not often be discussed In other words this series assumes that the Biblical text is as God wants it to be and that it was written by the person and at the time traditionally ascribed

Porter, Sean A. Adams, 2010 Throughout the last century there has been continuous study of Paul as a writer of letters Although this fact was acknowledged by previous generations of scholars it was during the twentieth century that the study of ancient letter writing practices came to the fore and began to be applied to the study of the letters of the New Testament This volume seeks to advance the discussion of Paul s relationship to Greek epistolary traditions by evaluating the nature of ancient letters as well as the individual letter components These features are evaluated alongside Paul s letters to better understand Paul s use and adaptations of these traditions in order to meet his communicative needs *American Book Publishing Record*, 2006 **Essentials of Pentecostal Theology** Tony Richie, 2020-01-20 Only a few decades past academia tended to scoff at the very idea of serious Pentecostal theology Today profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus Arguably an acute need has arisen for identification and evaluation of the Pentecostal movement s original and ongoing theological essentials What is Pentecostal theology really all about anyway This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing believers worship of God in prayer and praise in holy living and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit Authentic implementation if not explicit articulation of fervent Pentecostal theology often occurs in the vitality of local churches house fellowships and various mission settings in America

Huffstutler,2016-12-14 How should we see the Spirit at work in spiritual leaders today How did the Spirit work through spiritual leaders in the Bible While many books on spiritual leadership look at the culture around us and offer sound advice from biblical principles this study asks Scripture first what the Spirit did through spiritual leaders in the Bible in order to figure out what the Spirit should be doing through spiritual leaders today *The Canadian Pentecostal Experience*

,2024-10-02 The Canadian Pentecostal Experience includes eighteen essays organized into three themes 1 Historiography and Early Canadian Pentecostalism 2 Theological Practices and Processes and 3 Social and Cultural Change This collection makes a significant contribution to the growing literature of global Pentecostal scholarship The works are important for the Canadian context but as the editors argue in the Introduction Canadian Pentecostalism is global shaped by both local and global realities This collection will interest readers drawn from the wider field of religious studies and global Pentecostalism to initiate conversations about how Pentecostalism evolves in both its local and global expressions *Emotion Made Right*

Richard James Hicks,2021-09-20 Prominent Hellenistic moralists from ca the first century CE warn that all emotions carry temptation s to sin or error To be guilty of emotional sin is to allow psychosomatic feelings or rising emotion free reign to trump godly rational guidance of behavioral pursuits Thus morally minded Hellenists widely view unemotional behavior as a sign of moral progress Emotive language peppers the Markan narrative inviting moral assessments yet scholarship has seldom delved into a historical literary analysis of Jesus s emotional characterization This study proposes a working definition of emotion apropos the narratival nature of Hellenistic emotion theory It finds that Jesus consistently vanquishes emotional temptations with battle techniques similar to those championed by the moralists Mark characterizes Jesus in the moral tradition of the anti emotional exemplar and several minor characters are liberated from destructive emotions through the mercy of Jesus s godly rationale By recognizing the Markan Jesus as a model this study outlines a method for persevering in emotional testing that modern readers might also emulate to resist temptation with divine help *The Spirit as Gift in Acts*

John D. Griffiths,2022-02-28 What does Luke mean when he describes the Spirit as gift Acts 2 38 This study explores the social implications of gift giving in the Greco Roman world arguing that gifts initiate and sustain relationships Therefore the description of the Spirit as gift is inherently social which is shown in the Spirit s empowerment of the teaching unity meals sharing of possessions and worship of the early Jesus community The Spirit as gift then leads us to see that the early Jesus community is the community of the Holy Spirit **B18-Kingdom Living** William D.
