A. Torrey,2023-06-23 The great need of the church today and of human society as a whole is a genuine God sent revival It is either revival or revolution and a revolution that will plunge human society and civilization into chaos and utter confusion It is a time of wide spread apostasy This may be the last apostasy from which we will be saved by the return of our Lord Jesus to this earth to take the reins of government into His own thoroughly competent hands That would of course be the greatest and most glorious of all revivals and a revival that would never end But we do not know that this is the final apostasy There have been more thoroughgoing and appalling apostasies in the past than this one is at the present hour The apostasy in England in the time of the Wesleys and in America at the time of Jonathan Edwards was far more complete than the present apostasy is The apostasy in this country at the opening of the nineteenth century was far more appalling at least as regards university life than the apostasy of today It was the revival under the Wesleys and their associates that saved the church and saved civilization in their day Even so thoroughgoing a rationalist as Lecky the historian admits that it was the revival under the Wesleys that saved civilization in England And it was the Great Awakening under the leadership of Jonathan Edwards and others that saved the church in America Our sorest need today is a deep thoroughgoing Spirit wrought God sent revival Such revivals as far as man s agency is concerned always come in one way by prayer *Pray Without Ceasing* Zacharias Tanee Fomum, *Pray Without Ceasing* is a timeless classic on the subject of prayer by the renowned Christian author and teacher Zacharias Tanee Fomum In this book he shares powerful insights and practical advice on how to develop a vibrant and effective prayer life Drawing from his extensive biblical knowledge and personal experience he shows how prayer can be a dynamic force that transforms both the praying person and the world around them Through five thought provoking chapters
