Arkansas Methodist ,1915 *Sword of the Spirit, Shield of Faith* Andrew Preston,2012-02-28 A richly detailed profoundly engrossing story of how religion has influenced American foreign relations told through the stories of the men and women from presidents to preachers who have plotted the country s course in the world Ever since John Winthrop argued that the Puritans new home would be a city upon a hill Americans role in the world has been shaped by their belief that God has something special in mind for them But this is a story that historians have mostly ignored Now in the first authoritative work on the subject Andrew Preston explores the major strains of religious fervor liberal and conservative pacifist and militant internationalist and isolationist that framed American thinking on international issues from the earliest colonial wars to the twenty first century He arrives at some startling conclusions among them Abraham Lincoln s use of religion in the Civil War became the model for subsequent wars of humanitarian intervention nineteenth century Protestant missionaries made up the first NGO to advance a global human rights agenda religious liberty was the centerpiece of Franklin Roosevelt s strategy to bring the United States into World War II From George Washington to George W Bush from the Puritans to the present from the colonial wars to the Cold War religion has been one of America s most powerful sources of ideas about the wider world When just days after 9 11 George W Bush described America as a prayerful nation a nation that prays to an almighty God for protection and for peace or when Barack Obama spoke of balancing the just war and the imperatives of a just peace in his Nobel Peace Prize acceptance speech they were echoing four hundred years of religious rhetoric Preston traces this echo back to its source *Sword of the Spirit Shield of Faith* is an unprecedented achievement no one has yet attempted such a bold synthesis of American history It is also a remarkable work of balance and fair mindedness about one of the most fraught subjects in America **The Spirit of '76** ,1902 *Congressional Record* United States.

Congress,1996 *Katrina and the Need for Revival in the American Church* Jerry Bass,2014-05-06 What is it going to take to revive the American church and usher in a spiritual awakening in the country The author was trapped in a downtown hospital in New Orleans during Hurricane Katrina From that experience Jerry Bass believes that God allowed this disaster in order to wake up the church from its spiritual lethargy This book was written with an overwhelming conviction that revival in the American church is needed Endorsements Reading Jerry s book brought about different emotions in me My first emotion was painful memories of a very difficult time in my life living in a city that was destroyed by Hurricane Katrina My second emotion was one of hope as Jerry called for revival in our city state and nation Ladies and gentlemen WE NEED REVIVAL in America and it MUST start in our churches Fred Luter Jr pastor Franklin Avenue Baptist Church New Orleans Louisiana

president Southern Baptist Convention Ive never seen the need for revival in the Church like I see it now I pray for revival
 every day I did not pray for revival before I read this book nor understand the difference between a revival and
 evangelization I have also realized that 2 Chronicles 7 14 is directed to Gods people that includes me and not to unbelievers I
 believe that many American Christians will be touched by Gods Spirit as they read this book and glean from it that revival
 must start first with them Bob Leaman LSU Health Director of Continuing Dental Education **The Edinburgh Christian
