*The Spirit World of Demons* Veronica Johnson,2018-02-23 This book is based upon the true discernment I have encountered with demonic dwellings my steps with god and past relations of the heart I am no psychologist I am a person who has experienced these behavior types Not to use the solemn Rite of Exorcism for entertainment of course any exposure can endanger future satanic attacks on victims who suffer This book is to give people who struggle with demon possession an open dialog I hope the people struggling can reprogram the conscious and subconscious with true discernment and overcome affliction addiction Changing the way the mind thinks is a step by step process and it is possible to start today My experiences empower me to impact diligently while walking through spiritual warfare Most people get overwhelmed when talking about evil spirits also known as enemies So much so no one came close to the raw edge I have been able to capture in this book No one wants to love enemies once they have overstepped boundaries through the affair of matters dear to the heart The religious talk about the mental disorder without acknowledging effective usage of the sixth sense is needed to truly believe Many people suffer from this disorder inside and outside the church And don t acknowledge it as trial tests which leaves their sense of a higher authority surrounded by fears This will allow people suffering to face fears and acknowledge things they cannot gracefully explain God would rather you forgive the enemy seventy times seven and he doesn t intend for anyone to

avoid reconciliation with enemies Because he doesn't believe anyone's pure intent should become distorted My prior book The Unlimited Resurrection formed the basis of this book To avoid murmuring over spiritual warfare I wanted to face the enemy's reconciliation by bringing it to a general perspective My central message is derived from having an effect and reason for topics of interest This message usually affects people in multiple areas of life daily and reveals how it is possible to visualize things differently Once you have researched current topics to find an effect and reason for writing a book the next option is reviewing how people from the past dealt with the same issues Along with acknowledging God's plan and purpose for your life Most times you can start with a testimony to guide you through the emotions of writing

### **Seductive Spirits**

Nathanael Homewood, 2024-03-12 Pentecostalism Africa's fastest growing form of Christianity has long been preoccupied with the business of banishing demons from human bodies Among Ghanaian Pentecostals deliverance is primary among the embodied experiential gifts a loud messy and noisy experience that ends only when the possessed body falls to the ground silent and docile the evil spirits rendered powerless in the face of the holy spirit wielding prophets And nowhere is Ghanaian Pentecostal obsession with demons more pronounced than with sexual demons In this book Nathanael Homewood examines the frequent and varied experiences of spirit possession and sex with demons that constitute a vital part of Pentecostal deliverance ministries offering insight into these practices assembled from long term ethnographic engagement with four churches in Accra the capital of Ghana Relying on the uniqueness of the Pentecostal sensorium this book unravels how spirits and sexuality intimately combine to expand the definition of the body beyond its fleshy boundaries Demons are a knowledge regime one that shapes how Pentecostals think about engage with and construct the cosmos Deliverance Pentecostals reiterate and tarry with the demonic especially sexually as a realm of invention whereby alternative ways of being sensing and having sex are dreamed practiced and performed Ultimately Homewood argues for a distinction between colonial demonization and decolonial demons charting another path to understanding being the body and sexualities

The True Alpha and Omega Minister Jerrod Smith, Brother Clifton Lucas, 2011-06-20 This book exposes the true nature and culture of fraternities and sororities In these secret societies there are activities and requirements that cause prospective members and members alike to unknowingly enter into ungodly pacts and covenants These ungodly practices lead to activities which include physical abuse fornication adultery hatred envy strife manipulation social and intellectual elitism abominable sexual activities and witchcraft These organizations attract people that are looking for something that only Christ Jesus can provide However the organizations appear as a light by their community service and networking abilities This light however is a false light Once one gets into the inner workings of the organizations the sin and soul inflicting antics are found deeply rooted in darkness The authors being former members that participated in ungodly activities within these organizations expose the physical mental sexual and spiritual death dealing activities found in fraternities and sororities This is by no means a kiss and tell composition but it is a trying to save people from hell exposition Actual accounts of sexual requirements abuse ancient

ungodly spiritual practices witchcraft and required chants which denounce the existence of the One True God are given in detail in this book. Ungodly spirits of old have found new vessels to operate in through these fraternities and sororities. The good thing about this book is that it not only exposes spiritual wickedness and old ungodly practices but it shows people who want to be free how to find God the Ancient of Days. Let the Truth be told. We encourage you to read this book if you are joining a fraternity or sorority, are a member of one, are a pastor or have a loved one in one of these organizations. We desire for all to be free and blessed by this book.

Today I came to release the answer I came to prophesy that God is raising up an army of people that are about to become the answer to the world's questions and they are called the Guardians of God. They will defend and protect this world with the power of God. Get ready, the Guardians are coming and I think that you are one of them.

**Spiritual Discernment and Prayers for the Sleeping Church** Stephen A. Ibeh, 2023-05-16 The church in America has fallen in deep sleep and needs to wake up. In the current state we are to stand in the gap with God and intercede for her. This book is about spiritual discernment of the vices that are currently hindering the church as well as prayers for these vices. According to Jesus's words, we are to watch and pray so we will not enter temptation. Matthew 26:42 Let us then arm ourselves with prayers while keeping an eye on those things that crept into the church unawares.

**Discerning of spirits** REV. VICTOR D'MONTE, 2019-12-09 We live in a day where people are searching for supernatural experiences. This has led to a lot of deception both in the World as well as within the Church. Not only did Jesus warn His disciples concerning false prophets but the first century Apostles also warned the Church of these prophets and teachers who went about deceiving sincere Christians. The need of the hour is to be spiritually alert so that we don't fall victim to deception. Discerning of spirits and false prophets is written for this very reason to equip the Body of Christ to discern the disruptive ways of the enemy. We trust that this book will help you to understand how the gift of discerning of spirits operates concerning false prophets, prophecies, angelic visitations and the spirit of Jezebel.

**The Fig Leaf Conspiracy** Jimmy Evans, 2008-03-03 In this timely book Jimmy Evans exposes an ancient plot designed to rob every man and woman of joy, fulfillment, health and genuine intimacy, the progressive distortion of God-given sexuality. In ripping the cover from this pervasive deception, Evans points us to the path to restoration and sexual wholeness. Every teen, single adult and married couple living in our decaying culture urgently needs the startling truths found here. I want you to know beyond any doubt that sex is God's subject. And it is time for the Church to take it back from the devil, baptize it and call it holy. The Fig Leaf Conspiracy has touched countless lives down through the ages, perhaps even your own. Our loving Father, however, has made a way to take back the gift He sent Jesus to undo the work of the Deceiver. He has made a way of escape for us, a way back to the Garden. So what's the answer? How do we get back to

God's original plan for sexuality Finding liberating answers to those questions is the very focus of this book Jimmy Evans
