Secrets from a Prison Cell Tony D. Vick, Michael T. McRay, 2018-02-06 Tony Vick is serving two life sentences for murder After nearly twenty years in prison Tony has literally taken to the pen to document firsthand what life is like behind bars This book handwritten by Tony and later transcribed by outside friends indirectly challenges the reader to engage prison reform as one of the most important social issues of this generation wondering if society can shift its emphasis from retribution to rehabilitation Tony's new book describes the violent even horrific incidents that occur in prison incidents mostly hidden in the shadows away from public awareness It tells you the stories that those invested in incarceration would rather remain secret As captivating as it is timely **Secrets from a Prison Cell** shortens the distance between those outside and inside prison walls Through personal stories essays and poetry Tony Vick's book pulls back the curtain on a world invisible to most people dramatically revealing the realities of life in prison and the power of love to fight dehumanization For Tony writing this book has never been about money but about the message Any proceeds from sales of the book will be donated to the No Exceptions Prison Collective a non profit organization that advocates for prison reform <https://noexceptions.net> No Exception's mission is furthered by its very name referencing the 13th Amendment to the U S Constitution that abolishes slavery except for those incarcerated in our nation's prisons Slavery still exists in America
